The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

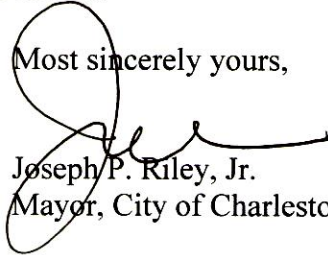

Dear Governor Haley:

Your kindness in recognizing me during your State of the State address is something I will never forget. Your generous words meant so much to me, my family and the citizens of Charleston. Additionally, of course, was the generous act of going to the trouble of getting me from Washington to Columbia and back.

I would also like to say that each member of your staff I encountered was exceptionally gracious to me.

With my deepest appreciation and kindest regards, I remain

Most sincerely yours,

Joseph P. Riley, Jr.
