Dear Sir/Madam:

We need to obtain fee schedules for the years 2010 through 2013 for Ph.D. Clinical Psychologists and for Masters level mental-health professionals. Specifically we need the fees paid during those years for 1-hour individual therapy sessions (code 90804). *We do not* need the manuals for those years or extensive lists of fees for all mental-health services offered.

In the interest of time, we would greatly appreciate it if you could fax us this information or send it by email, rather than through conventional mail. Please note that we are asking for a very limited amount of specific information.

Thank you for your assistance. My contact information is listed below.

Sincerely yours,

Dee Willis, Office Manager
