Friends,

The key to the election this Tuesday is turnout. Please make every effort to get to the polls on the 14th. If you will be out of town, you can vote early in York. Below is a pdf that explains how you can do that. Also, I would appreciate it if you could send out an email to your friends reminding them to vote on Tuesday. Your help in this election is crucial and I greatly appreciate it.

Best regards,

Wes

PS If you do not live in York County you can't vote for me on Tuesday, but you might know some folks who can.
