Danny, Attached is a letter from Donald Acevedo, he says he knows the Lt. Governor. He is looking for help getting relief supplies to Puerto Rico as a result of Maria. I have reached out to Steve Batson at SCEMD to see if he has a suggestion for who Mr. Acevedo can contact.

*Best Regards,

I have forwarded this email to the lieutenant governor twice and DANNY as well but have not heard back from them. The gentleman that called yesterday for me says that he knows the tenant governor very well and would like to talk to him about getting his help on this. The attached explains in more detail the need for assistance in getting food and supplies to Puerto Rico.

If they cannot help, please see if Danny or someone can let him know.

Thank you,

Lily
