Mitchell Nelson Just curious, will there be a line to get in? We are getting ready to leave for camping and will be in a motorhome which is difficult to back up and turn around, so how does this work for campers with reservations?

at 17:37:41 on 5/15/2020 UTC

Angela Porter Me too .

at 17:38:52 on 5/15/2020 UTC

South Carolina State Parks Mitchell Nelson campers will be instructed when they arrive at the park.

Lucy Conaway Will we get an extension on our park passport for the months when the hours are limited/the park fills up? I work during the week and it is a mad fight to get in on the weekends (reaching capacity within a half hour of the gate opening). There is only one park near me and I'm thinking that I am not the only one wondering this question. Will South Carolina State Parks address this?

David J. Swallow Lucy Conaway see thats the problem. Your working still everyday so your being punished like the rest of us who work all week long 🖤
at 3:53:17 on 5/16/2020 UTC

David Hill South Carolina State Parks can you guys give an answer to this? I bought a pass in March and still haven't been able to use it. Since the price went up this year it seems

reasonable to give an extension.

South Carolina State Parks Laurie Ringer Coggins last week of May, 1st week of June.
at 13:30:29 on 5/16/2020 UTC

South Carolina State Parks Lucy Conaway you will be credited 1 month for the month we were closed - April. Details on this are provided on the alert on our website at www.SouthCarolinaParks.com

at 13:31:48 on 5/16/2020 UTC

Lucy Conaway South Carolina State Parks I know this, but for May I have been unable to use my park pass because of the limited hours and the park being at capacity. I understand why these things are happening I would just like to get another month extension since the updated hours and park being full have made it difficult to use my pass. Others have wondered the same!

Lucy Conaway David Hill I agree, South Carolina Parks responded that we will get an extension for April (when the parks were closed) but they did not address the other months
