Please do, and use the attached, unless you think we need another one.

I think this is a great idea. Do you know when they publish each month's edition? Also, does LG have an updated photo? I will reach out to them if you're good with this?

Let me know what you think. Let's update the photo, and should we submit a monthly piece?

Congratulations on becoming our new Lieutenant Governor!!!

At our meeting last week, it was anonymous that we all agreed and wanted to have you write a column for our monthly publication.

I personally would love to have an intro from you explaining how this new appointment all came about....it is so exciting!! Each month after if you could help us stay informed.

You currently have a 1/4 page picture ad in our paper and we would love to have you update this.

I hope you will seriously consider writing a column of 350 - 375 words each month to keep our readers informed.

Thanks so much and again CONGRATULATIONS!!

Hope
