Hi guys,

I wanted to touch base about any pending announcements regarding the governor. If she is offered a position I would so appreciate if you guys were able to give me a heads up even on background our readers are really interested in her (as illustrated by my badgering over the past year+) would be awesome to be able to give them any news first.

Thanks and hope you're all surviving the chaos!

Eliza- I wanted to make sure y'all had this.

Quote from Haley Deputy Chief of Staff Rob Godfrey, "Governor Haley was pleased to meet with President-elect Trump. They had a good discussion, and she is very encouraged about the coming administration and the new direction it will bring to Washington."

On Background: Governor Haley and President-elect Trump met today in the President-elect's office at Trump tower.
