

South Carolina Department of Transportation

## 2015 Major Flood Report Statewide Operations

(8:00 AM- REPORT)  
October 16, 2015

**Statewide Summary** – Steady progress continues with 24 more roads opened yesterday, and 9 more bridges. **SCDOT Maintenance Crews recovery efforts will persist with 7 day weeks and 12 hour shifts. 40 roads are under contract for repairs.**

SCDOT (construction group) and FHWA damage assessment teams continue to work to expedite contract repairs in accordance to FEMA requirements.

SC 51 and S-22-179 crossing at Black River in Georgetown County will be open before noon today.

Fifteen (15) counties have been assigned a SCDOT debris removal contractor. Five (5) counties have produced enough debris for activating operations for removal of construction and demolition debris. The counties where contractors are working are:

- Dorchester
- Sumter
- Lexington
- Richland
- Georgetown

### **296 Crews are working on recovery operations**

### **78 Crews deployed from Home Counties to recovery work projects**

2092	Maintenance Employees Actively Working 12 hour shifts
227	Roads Closed Due to Weather Event (See attached list and map) This number includes <b>64 bridge closures</b>

**There were 251 road and bridge closures yesterday.**

## SCDOT Headquarters

Engineering continues to report conditions and will continue recovery operations.

The Call Center is operational. (855-GO SCDOT) 855-467-2368 **If the road is covered with water, “turn around, don’t drown”.**
