Subject: New Report: IDD and Dementia

Dear ADSSP, ADI, and SI grantees and collaborative partners,

The National Alzheimer's and Dementia Resource Center is pleased to provide you with a new report, *IDD and Dementia*. The report can be found at the following link: http://www.aoa.acl.gov/AoA_Programs/HPW/Alz_Grants/docs/IDD-and-Dementia.pdf

This paper provides a broad overview of the services and support system for persons with intellectual and developmental disabilities (IDD) affected by dementia and their caregivers, examples of cross-network initiatives, and resources for improving dementia care across agencies and organizations that serve this population.

Thank you,
National Alzheimer's and Dementia Resource Center
