Will you see what you can find out about this? The B&CB sells pocket knives?

Nathan Lindler call and is constituent of yours and wants to talk to you. He has been buying pocket knives from the Budget Control Board for about 4 or 5 years and has just been told that they are no longer doing this. He has been told that the State brings in about \$150,000 to \$250,000 doing this and now just because the Director no longer feels it is necessary he is concerned. PH# 413-7406 or 892-3332
