Ms. Aydlette,

I'm responding to your letter dated 3/31/04, to Ms. Marcia Adams, Director, SCDMV, concerning the status of the DMV file you use to for your Child Support Enforcement Program.

Code has been completed and we are scheduling a test run this weekend. Barring a program failure we should be able to send your staff a test file early next week. Should there be any issues regarding the file your staff may contact me directly or Darl Neiswonger at 896-0570.

Respectfully,

Rolf Dolder
