Subject: Maxine Waters and others

---

Mr. Bryant, I would like to know why Maxine Waters has not be censured or even impeached over inciting violence. It was in the news for a few days, then nothing has been done. I would like to share this link with you that states the law.

I would like to say that we are for building the wall and putting a stop to this mass immigration.

Thank you kindly! <https://www.facebook.com/photo.php?fbid=10217925989361013&set=gm.245191052928505&type=3&theater&ifg=1>
