There will be a more official memo provided on the allocations later in the week but it is estimated that 185 homes will be impacted with an estimated 175 of those homes under the Eight Days of Hope project blitz. (Note Eight Days of Hope and Catholic Charities will be working on the same projects together).

These organizations are matching One SC dollars with an additional \$1,041,500 worth of labor, building materials, and other construction costs.

Similar to other grants, can you tell me how many homes this is projected to help and how much the organizations are donating in skilled labor and materials.

I'll text you a photo!

The committee voted to distribute \$225,000 yesterday. Because this is a private round we will not distribute a press release but the information will be on the website once all the organizations have been alerted they were awarded dollars.

The following organizations were awarded dollars:

Eight Days of Hope: \$150,000

Home Works of America: \$20,000

Metanoia: \$15,000

Catholic Charities-two projects in Williamsburg and Georgetown (prepping for Eight Days of Hope): \$40,000

Let me know if this suffices.

Thanks!

Dana

Hi ladies,

Dana, first, congrats on the birth of your daughter! I had no idea. I need to see pics.

Second, I know the committee issued another round of grants today. Can I get a break down of that round tomorrow. I need to prepare an update for the governor by tomorrow.

Third, the governor would like to do a press conference on Thursday as a general flood update. Rob has mentioned you participating or at least attending, Joanne. Are you available?

Thanks for all you do!

Holly
