

The Honorable **Nikki R. Haley** Office of the **Governor** 1205
Columbia, SC 29201

State Treasurer

Columbia SC 29211

To whom it may concern: If the Government, was not so out of Control and the right hand not knowing what the left hand is doing. This would be comical how a government Agency can lose the papers sent some 45 miles away?

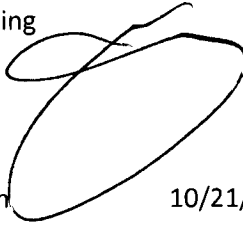

Yet still have enough information to process the enclosed letter sent back to me as inadequate information sent the first time?

All information requested on the initial claim WAS indeed sent as well as prepared by the County Attorney. If indeed there was additional information requested, it seems this would have been on the initial request.

It seems absurd that an agency would purposely delay processing of taxpayer funds. Which I am sure is not the case.

I appreciate your due diligence and I am grateful for you being well Employed by my Tax dollars.

Sincerely C. D. Grumbling
