That timeline will not work for DHHS. Christian is still waiting on the list of bills from us. Can we ask Debbie for some time until mid-next week.

Good morning Holly,
I have confirmed that S.150 will not be discussed at next Tuesday's hearing in Anderson County and a hearing on the bill will be scheduled after furlough. Nevertheless, Debbie Parker has requested to receive our feedback on S.150 as soon as possible and requested to receive it by the end of this week. If that timeline will not work, let me know and I will buy more time. Attached is a revised draft of the Department's feedback on the substantive provisions of the Bill. Please let me know if you have any comments or feedback.

All the best,
Karen
