**Walt Quinn** Great news however, had reservations for about a year for next week and talked with the park a couple weeks ago and they told me to cancel because the park would not be open till the end of August and my sites were in the area not affected by the hurricane that will now be open. Not a happy camper. 😞

**Steve Anderson** We called the park and they said 2 o'clock. Someone may want to rethink this as that will be a lot of campers lined up on the road to get in at one time. We expressed our concerns and she went and talked with someone else and they still said 2 o'clock.
