John & Christian,

Please see forwarded email from Joe (in response to my request to include the feasibility study as background info. In the RFI). My thoughts are that it seems superfluous to include this document in addition to the PowerPoint, but please let me know if you think otherwise.

Thanks!

Erica

Erica,

Please find attached a more or less finalized version of the narrative version of the feasibility study. If you have a few minutes to look at it, we would be grateful for your input, also please circulate if comfortable/appropriate with others in DHHS. Thanks very much for your ongoing assistance. I think it would be best to include this narrative and the powerpoint in the procurement. What's your timeline on getting this from us? We will have a designed version next week.

Best,

Joe
