Christian,

We were keeping our eye on it, but it looks like the delay in the reinsurance tax fell out of the compromise. We'll see yall next week.

Subject: Reinsurance Tax

David,

I'm sure you're already on this, but if the federal re-start legislation ultimately includes a delay of the reinsurance tax and/or some other language that would affect PEBA's income/outlays, then we'd like to talk through the anticipated impact of those items too when we get together next week. Thanks.
