Can you tell me about Kings Mountain State Park? We are planning to visit it for the holiday weekend and want to get our stamp for the ultimate outsider but see it seems to be closed? Can we still visit and get our stamp?

Tammy - the park is open and you will be able to get your stamp. We were planning on a major construction project at Kings Mountain, but that project has been delayed. You can contact the park at (803) 222-3209 from 11:00 - 12:00 or 4:00 - 5:00 to make reservations, or you can call anytime and leave a voice mail for them to return your call.

How do we know if we can book a site. We were hoping to Camp at huntington Beach State Park and while it is open for booking how do we know if sites are really open? How will we know if they will truly reopen tomorrow or Friday?
