I discussed this letter with the Governor yesterday. We can follow up with her today. Sec. Hitt does not plan to respond and I've talked to Newsome and Hall about this letter as well.

Subject: Hugh Leatherman Terminal overpasses

Chaney,

I recently received a letter, dated Oct. 17, that North Charleston Mayor Keith Summey sent to Gov. Haley earlier this month and have attached it for reference.

My question is whether Gov. Haley has any plans to "spur the SCSPA and SCDOT into action," as the mayor requested, to deal with the promised construction of overpasses related to an intermodal rail facility serving the Leatherman terminal. If so, what are those plans?

Alternatively, does the governor have any comment to make on this issue, which appears to be creating a rift between North Charleston and the ports authority?

Thanks,

David Wren
