Hello all,

Chad asked that I contact you to let you know that the legislative committee created to review the GEAR report will be meeting three times in the next few months and he is hoping that many of you will be able to attend. The dates for the meetings are October 30th at 1:00, November 14th (tentative date) and December 4th (tentative date). Chad will not be at the meeting on November 14th but hopefully someone from the committee will be able to attend.

They will be reviewing recommendations 1 to 26 at the meeting on October 30th. Please let me know if you will be able to attend any of the meetings. I look forward to hearing from you.
