

2016

Gov. Haley,

I was surprised to learn that you have accepted a new position in the Gov., we will miss you, and wish you the very best for you and your family.

You have been the best Gov. we've had since we've lived in Charleston, which has been 24 yrs. now.

We've had ~~tragedies~~, floods, etc., etc., and you've met it all "head on", and with grace. You've met it all for the community's sake with patience and love for the community that you love.

I am so proud that we've had "peaceful" reunions, that could have been other ways, and I give you the credit, and our mayor's and Gov't police officers, who were prepared.

We love you, N. H. (we lovingly refer to you by your 1st name) and we will miss you!!
May every day be - A Great Day in S.C.

God Bless -
Wynna

May the God of hope fill you with all joy and peace.

ROMANS 15:13 NIV

Dear Gov. Haley,
One thing at Christmas

we always like to do
is send God's blessings
to special ones like you.

May the perfect peace
that only He gives
abide with you always.

God Bless you & yours,
Don & Wynna Foster
