I am signing this petition because I firmly believe that the NAACP's 1991 resolution continues to provoke and kindle tension between the citizens of America.

Next it will be the Constitution itself which they call the blight on the Universe!  
What would they call it if there was an NAAWP? How much 'payback' do they  
want - probably the destruction of the entire white race would make them happy?

I believe the battle flag is being villainized by those who don't want to  
understand its meaning to Southerners.

Flag simply honours South Carolinians who served and gave their lives for  
constitutional freedom
