Katherine,

Thank you so much for our tour of the governor's office today. Our 3rd graders really had a wonderful visit to the State House. To follow up with our earlier conversation, I would love to have the opportunity to be a part of the governor's educational advisory group. I have taught in public schools for approximately 10 years and I am certified as an elementary, middle, and high school teacher. Although, I will be leaving Heathwood Hall at the end of this year for a teaching position in Richland School District 2, I have also really enjoyed my experience in an independent school setting. Please let me know if I can be of any service. My personal e-mail address is danells818@gmail.com. Thanks so much!
