Use the lang below for NH quote, thanks.

“Strengthening South Carolina’s world-class workforce is one of our main priorities, and we are extremely proud to celebrate Clarendon County becoming a Certified Work Ready Community,” said Governor Nikki Haley. “It speaks volumes for South Carolina’s workforce and business community that the entire state is participating in this nationally recognized initiative with the goal of improving economic opportunity.”

Guys,

Attached is a draft for tomorrow’s Clarendon event. I’m probably going to be tweaking the content a little throughout the day to make sure I summed up the criteria for why Clarendon got this designation, so I’m asking that you guys primarily send corrections regarding the Governor’s quote at this time.

I’ll probably have the final draft late this afternoon.

Thanks,
James
