Hi Ms. Engelmann,

I am enclosing comments from the Governor's Office:

"I met with SC HAC Commissioner Buxton re: Suzanne Engelmann's case. The Commission found in Ms. Engelmann's favor but has been unable to get in contact with her. She needs to return a damages worksheet necessary to determine an offer. Mr. Buxton will continue to reach out to Ms. Engelmann to secure the needed information."

If I were you, I would be proactive and contact Commissioner Buxton and return the paperwork as soon as possible.

Please keep me in the loop.

Thanks

Claudia
