Nikki,

Our economy. Our values. Our security. Our jobs.

Everything is on the line this Election Day and it's hard to believe that we have just one month to go until voters make their decision!

We cannot allow Hillary Clinton and her liberal agenda to win nationally or locally here in Idaho. Here are some ways that you can help.

[Sharing our TV ad on Facebook](#) will help your friends and connections learn more about Raúl's background and why he is so committed to fighting to protect the American Dream.

[Joining our volunteer team](#) will help us Get Out The Vote through activities like door to door or phone calls.

And donating \$10 or more will ensure we are able to fund our entire budget, which will help us reach undecided voters. With just one month to go, we need to raise at least \$12,000 more online to reach our goals. [Make your urgent contribution here.](#)

Thank you for your support and your investment in the future of our great nation.
