TrumpCare™ - The Best American Healthcare System

The Honorable Nikki Haley:

UnitedPhysicians.com (UP) is the smartest and most efficient healthcare system known to mankind. UP is supported by the EM Technology™ - having Abiotic Intelligence™ and intelligent big data - for rendering a seamless healthcare for 24/7 serving billions of networked smartphones and desktops.

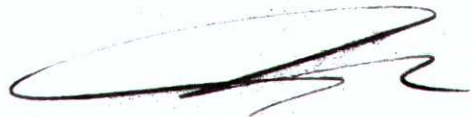

In UP, billions of well-informed and smart patients, physicians and healthcare providers, employers henceforth users own and control their healthcare assets, utilizations and expenses.

For users, UP 24/7 optimally:

1. rendering intelligent and useful health and healthcare information and services;
2. preventing and caring for diseases including chronic diseases;
3. pointing individual users who benefit from the aforementioned;
4. providing optimal healthcare for all Americans at the lowest costs;
5. managing seamless payments, debits and credits for goods and services among individual users' bank and financial accounts;
6. rendering private and/or government- backed stop- loss for catastrophic illnesses;
7. managing and preserving medicare and medicaid; and
8. eliminating hundreds of \$billions per annum of frauds, wastes, duplications, redundancies, costly and unnecessary healthcare and pharmaceuticals.

In anticipation of your responses, I remain,

Respectfully yours,
