Monica,

I have sent the proof to RBC.

- Can you ask the company to make sure the golf ball is not an issue when embroidering?
- Can you ask the company for a proof with the RBC logo placed on the chest and FGI logo located on one of the sleeves – with and without the palm tree and crescent?

I will have the logos and changes to the signs today.

Thanks, KV

Monica,  
Below is information from RBC regarding the RBC logo.  
Please let me know if you have any questions.  
Thank you,  
Katherine

As for the logo on the shirt, as discussed we are ok removing 'presented by Boeing'. Also note that the colours appear to be reversed, see below:

**Correct** (if RBC Heritage text is white, the RBC letters in shield need to be white)

**Incorrect**
