### *Gov. Nikki Haley Visits McCormick and Abbeville Counties*

Yesterday, Governor Nikki Haley traveled to Abbeville and McCormick counties, holding constituent office hours in McCormick and then touring Sage Automotive Interiors in Abbeville. The day also included a surprise visit Hickory Knob State Park where the governor met and spoke with State Park rangers. Below are several video clips highlighting the governor's remarks throughout the day, including two media availabilities:

- “Today Governor Nikki Haley spent the afternoon talking one-on-one to people in McCormick. They say that's a big deal, because they claim the last governor to visit was Carrol Campbell: He took office in 1987.”
- “‘This is another milestone,’ Jennings [County Council Chairman] says. ‘It's making history that the Governor visits us.’”
