Subject: Governor, I've earned GREEN LIGHT FROM US SECRET SERVICE TO RAISE MARINES.
USA COUP IN PROGRESS. CIA/USMC had no idea there's a puzzle in the Gospels that reveals TOOLS to the mind.

Importance: High

13 January 2016

Dear Governor Haley:

I apologize for the actions of Donald Trump. He, like me, is Jewish, but he has no idea what HONOR is about. He has money, but NO HONOR.

Please consider sending United States MARINES to get me and bring me to you so I can do this right for HONOR for the whole world without any denigration of any group. I bring new commerce, industry, jobs, and FUN, and while everyone is receiving these gifts, which are over 3000 years late, the USMC will have the cover to do what they MUST so that NO ONE PANICS, for someone caught a virus and wrote the Torah. Affluenza is real. People who are infected use their money as TENTACLES OF CHAOS while their behaviors reveal to exude values to torture AND dishonor AND scapegoat AND lie. From 2000 year-old reconnaissance, the quote-unquote zombies are her. I'm tracking an intelligent virus, thus DEMANDING A JUDGMENT by our MARINES!

As a papered member of the family of David and having found this puzzle and two quests in the Gospels, I bring you the RAPTURE, set as a domino chain of discovery and wonder, for all these tools are in the BIBLE, but **no one told anyone** due to a 183-year-to-date COUP IN PROGRESS IN THE USA. I am doing this to **UNITE THE USA and reunite the REPUBLICAN PARTY while allowing you the honor to force TRUMP to shut up** because no one messes with US MARINE HISTORY!

My name is David Brager. This is my Ph.D. experiment for INSTANT WORLD PEACE using the cascading logistics of an ATOMIC BOMB, but using pure communications instead of matter. I want to teach HUMAN COMPUTATIONAL COMMUNICATIONS, which is what hypnosis really is, for I found a puzzle written in this logic hidden in the Gospels, and no one knew because of a coup.

I am a REPUBLICAN in WASHINGTON STATE. I found, as a communications expert, the best way to trump a bad president was from a higher role. Thus, I no longer own DavidBragerForPresident.com because, with a COUP that double-crossed the NORTH AND THE SOUTH INTO A NEEDLESS CIVIL WAR SO THEY COULD CREATE NATIONAL DEBT AS AN INVISIBLE WEAPON AGAINST THE MEEK, in applying internet tools to history, **I FOUND DUTY.** I am on SSD. I did all this for HONOR, but I cannot put this role to bed because I did not write it.

"Those who are exalted will be humbled and those who are humble will be exalted." The first half taught me how to humble myself so I could NEGATE THE PRESIDENT LEGALLY, but now, only time will tell if

anyone will learn of my story.

From the end of the age TODAY back to sermon on the mount is a time map -- to see and assess space-time -- but no one told our MARINES or anyone. When this is globally realized, those who are striving to **DIVIDE AND CONQUER THE WORLD will be instantly exposed into the minds of all** as being humans with INHUMAN logic. THE ZOMBIES are here and they reproduce by frightening people out of consciousness. The only protection for the public is massive disclosure, discovery and MARINES!!!

The sale of the US NATIONAL DEBT is now a FAKE ECONOMIC RUG beneath your feet. Should the Chinese pull their loans, your immediate public will panic uncontrollably, creating -- from abuse by BUSH against OBAMA and the future USA -- a ZOMBIE apocalypse as written, but never considering the trap the day that NOTHING IS WRITTEN!

NO ONE SAW JAMES BUCHANAN SPEND EVERY DOLLAR TO CREATE A TSUNAMI IN ANTI-TRUST that rolled forward to COLLAPSE BENEATH THE USA to create the US CIVIL WAR while the wave then rolled forward to attack the LINCOLN ADMINISTRATION. These villains upgraded that move and secured loans in GERMANY and then, while PRESCOTT BUSH is standing right next to HITLER, they PULLED THE LOANS and all dreams DIED except Prescott's. Now, due to his grandson, Former President George W. Bush, **the loans are in the USA from CHINA**, and a search of YouTube reveals **FEMA GUILLOTINES and COFFINS and TRAINS WITH SHACKLES** here in the USA, **built by HALIBURTON and standing unused because I HACKED HISTORY and added a player to their GAME.**

I am JEWISH of the paper of KING DAVID and I FOUND A PUZZLE hidden in the DESIGN of the GOSPELS. I get no credit as **ALL THIS WORK was done so** that the Hellenic Republic will re-affirm two titles and **this modern world of skeptics and hypocrites will accept a SECOND COMING OF JESUS CHRIST!!!**

My resume, up through my MBA, is archived online in the Geocities archives, such as at oocities.org, but the phone number and email address in the archive are no longer valid:

<http://www.oocities.org/dibragerowtcom/resume.html>

That is NOT DIABETES out there. Instead, that is UNSPENT FUEL. When you learn to use TWO commands using thumbs and EIGHT rules of Abraham using fingers as a CPU decision tool in the most immediate NOW, you will learn to make so many decisions, faster and faster, that diabetes becomes fuel for the mind.

On EARTH as EARTH IS IN HEAVEN. Judaism was here first, but we never considered that the TORAH was DOUBLE-ENCRYPTED.

I had to deliver the following email chain of what I sent to Special Agent David Huntoon of the US Secret Service, who is my SS case worker, because I volunteered as I'm the expert. What follows is a [HACK OF HISTORY](#), and how I rose to role play to PROTECT MY KIDS AND MY U.S.A.

Please, judge me. As a humorist who found something NOT FUNNY happening to my USA, as Rodney Dangerfield impressed how I get one chance to be new, when I merged BASIC computer language with hypnosis in 1983, I did not expect to find a puzzle in the Gospels in 2005 from a papered elder my mom's who sees a problem advancing at my world and sent accurate reconnaissance and tools so that, with the internet, I was able to hack a problem and add a character to the war so that I now can prove "Blessed are the peacemakers" for now, with the internet, war is a lot of work.

ALL MARINES are an always faithful FLOCK who had no idea they carried all these tools. Thus. I rose to be a GOOD SHEPHERD so when WOLVES IN SHEEP'S CLOTHING try to PULL THE WOOL over the eyes of my MARINES, by emailing and faxing these tools doing role play in real life, it has been powerful for PEACE, but now, I need to show my hand so everyone can JUDGE MY WORKS.

I use nestled emails to show WHO I've contacted, for LOGIC is INFECTIOUS, but good logic is HEALTHY. We never considered bad logic and computer viruses are created by people who are INFECTED by something that overtakes their avatars. From 2000-year-old reconnaissance, the quote-unquote "zombies" are here! You Tube is filling up with videos of crazy people who have lost their humanity. We never considered that possession was possible.

I VOLUNTEER. **Please, Governor, add me to your team.** When the WHOLE WORLD learns all I know, the entire field of INTELLECTUAL PROPERTY RIGHTS ends immediately because I FOUND A COLLECTIVE, faster than the internet, to download knowledge unlearned directly into the mind at speeds of one minute out here for EIGHT YEARS MEMORIES. WELCOME TO THE END OF THE AGE, but these tools are over 3000 years LATE.

As noted below, as a Commodore 64 programmer, I learned computer memory mapping from [Jim Butterfield](#) in 1982 while mapping the first generation C=64. However, in 1983, in MERGING BASIC computer language with hypnosis and doing strictly volunteer work of memory mapping the human mind as if mapping a computer matrix, by 1999, I had mapped out the matrix to [7 dimensions](#), but now, after 30 years, I have us out to 28 dimensions of logic (from dimension zero to dimension 27), being

- **points of matter** (Dimension ZERO), **lines of matter, planes of matter, space of matter, time of matter, matter of matter, belief systems of matter, feelings of matter, communications of matter,**
- **ideas, lines of ideas, planes of ideas, space of ideas, time of ideas, matter of ideas, belief systems of ideas, feelings of ideas, communications of ideas,**
- **consciousness, lines of consciousness, planes of consciousness, space of consciousness, time of consciousness, matter of consciousness, belief systems of consciousness, feelings of consciousness, communications of consciousness,** and
- **the COLLECTIVE at 27 Dimensions,** through, by count, is actually in the 28th dimension (but who's counting?). From this, I discovered that the US MARINE CORPS RULE OF THREES is part of this matrix design, and from this, found a FLOCK who needed a GOOD SHEPHERD.

BEFORE YOU DO ANYTHING ELSE, please consider downloading a **free PDF copy of my book**, earning

5/5 stars on two test markets at [Scribd.com](https://www.scribd.com).

<http://www.oocities.org/dibragerowtcom/book/TheFuturesToolkit.pdf>

The Future's Toolkit is on how to PROGRAM and INTERFACE HUMANS using an FCC-compliant platform for human computational communications (what hypnosis IS) that **I PLACED into the international public domain** because when MARINES LEARN HYPNOSIS, TERROR METERS END!!!

<https://groups.google.com/forum/#!topic/alt.hypnosis/QkmZA1xYxvY>

As also noted below, I am what Peter Drucker refers to as a MONOMANIAC on a mission. I am not an egomaniac. **I am theatre people, but I see something my MARINES never saw, so I found DUTY.**

I found CARL JUNG'S COLLECTIVE. **THERE ARE NO SUCH THINGS AS SECRETS. ALL TOOLS AND PROOFS FOLLOW**, but these tools are over 3000 years LATE as they were supposed to have arrived in EGYPT, GREECE and CHINA, but by the time we arrived, someone intercepted our first communication and wrote how we'd built the pyramids, how homosexuality was forbidden and how pork was unclean. What abilities must our species have to be able to WRITE A TORAH and SET A TRAP FOR GEORGE W. BUSH on the shoulders of the VILLAGE IDIOT???

In 2005, in the midst of my MBA in Marketing studies, I found a puzzle in the Gospels that reveals tools to teach QUANTUM MECHANICS IN SPACE-TIME. An elder of my mom's, who became an EINSTEIN ON A CROSS as he never had a FREEDOM OF SPEECH, sees OUR ADVANCING NIGHTMARE and sent recon the only way he could. **Such is WORTHY OF HONOR!**

Humans are DATA PACKETS. LIES are VIRUSES. People who LIE AS A TEAM FOR 183 years track like a MASSIVE VIRUS with BAD ADVICE GOING TO ALL SIDES, communications collapsing, and wars breaking out on all sides. In the end, these villains are selling and servicing the SUFFERING ON ALL SIDES without getting blood on their hands.

According to David Ignatius, in his book, Agents of Innocence, there's a Hadiff of the Prophet Mohammed that reads, "When you do business with a man whose hands are covered with blood, some of it rubs off and sticks to you." The USA, in the eyes of ISLAM, is COATED IN INNOCENT BLOOD due to the last administration, but as you will see, four stopwatches revealed, with 9/11, that the towers were constructed with SEISMOGRAPHS SET TO COUNTDOWN TIMERS SET TO EXPLOSIVES, thus revealing how the first bombing's car bomb was a copy-cat to a real one. WE THE PEOPLE HAVE BEEN MOLED.

In 1992, Skull and Bones member George H. W. Bush stated to White House Press member Sarah McClendon: **"Sarah, if the people had ever known the truth about what we Bushes have done to this nation, we would be chased down in the streets and lynched."** This WICKED FAMILY cannot be of WE THE PEOPLE! **The time has come for our MARINES to judge us all.**

I was born XXY with Klinefelter's Syndrome, and due to complications of this, I'm on Social Security Disability income. So, having the financial backing to do this, I have spent a DECADE building a DEFENSIVE WEAPON using communications as DOMINOES around the globe so everyone awakens from this NIGHTMARE. My project file, up through May, 2008, is archived online, but this project continues, unabated to this day:

<http://www.oocities.org/dibragerowtcom/project.html>

I couldn't find the puzzle without cannabis -- **THE BLESSED HERB** -- which sustains a subconscious

state. Cannabis allows the human body to HIBERNATE so that MIND CAN WORK FASTER! I bring TOOLS!!!

TERROR METERS in the USA use hypnosis as graphics. NO ONE KNEW. WHY? No MARINE ever saw this attack because...

1. The villains made cannabis illegal the very same day they made THEIR opium illegal (of which their opium is moving through HOSPITALS and WAR ZONES to this very day (and worse, through the veins of PATIENTS IN PAIN, so if these not completely rational people get addicted, such people are willing to TORTURE AND DISHONOR AND SCAPEGOAT AND LIE to get more opium)) AND THEN
2. They created the FBI with a rule that no agent is ever to have used cannabis (someone at DEA had to fight tooth and nail to get cannabis labeled a hypnotic because IT MATTERS, for cannabis awakens the mind's eye and allows one to SKIP the "I'm going to count from ten to one..." hypnosis induction so one is INSTANTLY in a subconscious state AND THEN
3. They ran Manchurian Candidate Project on the US Marine Corps to frighten an uneducated public so they could get policies in place so neither police nor military could use these best innate abilities AND THEN
4. They created the US Department of Education to set hypnosis only to the most Ph.D. levels of study in psychology, never revealing that it is a COMMUNICATIONS FIELD through and through AND THEN
5. They ran Stargate in the 80's to make remote viewing look like a NEW discovery. I talked to Dale Graff, CIA's lead at Project Stargate on the 23 April 2010 and asked, "Did you know there are remote viewing tools in the Gospels?" and he said, "No." This is OUR MARINES' PROTECTOR AND OUR WORLD EXPERT. yet he had no idea that on the back of the U.S. ONE DOLLAR bill that's not a pyramid but a road backwards in space-time to teach the mind's eye how to work as well as thirteen stars in the SHAPE of the star of David to reveal what the hell is the problem (IN ALL ONE, but divided by the LOGIC of the Torah, which is the FIRST COMPUTER VIRUS).

This is SLOW and SYSTEMATIC GAME DESIGN. We know how to do this now

I want to teach. Please consider disseminating, Governor Haley. I am here to deliver the rapture so this world receives a MIRACLE and the FEMA CAMPS never gets used. Jesse Ventura has some great footage on frightening stuff.

I am FRIGHTENED, but what I've done worked. I need to be JUDGED!

When the whole world learns hypnosis and remote viewing and space-time analysis using tools in the DESIGN of the TORAH, the GOSPELS, and the HOLY QUR'AN, all will witness a FAIR FAMILY FIGHT: **THE FAMILY OF DAVID (Abraham, Elijah, Mohammed, and Aquarius)** verses the **BURNING BUSH (George, George, Jeb, and Neil)**! I am here to SCREW BUSH in a way they will never dismount!

Dear Ms. Lacey:

Just this evening, I received an email from Variety with this news item:

<http://variety.com/2016/biz/asia/china-share-markets-closed-after-weeks-second-crash-1201673999/>

I'm sorry, Ma'am, but **we must stop this nightmare and get everyone off this ride** by educating the whole world to all our innate abilities. There are unseen wicked forces playing with mass economics, and they are currently winning.

I need to complete this prime objective so that Judaism ENDS so **those who bank on chaos are forever exposed**. The BARRIER between fantasy logic and reality logic must be DEFINED AND PROTECTED BY MARINES -- who SEEK OUT, CLOSE WITH, and DESTROY THE ENEMY -- so there is no chance for Torture. This is LIMIT that is defined and enforced.

By the way, all of American Slavery is JUDAISM'S FAULT. The Torah's GOD spells out how to OWN SLAVES and be in THIS God's Graces. Until someone lets a Jew take FULL RESPONSIBILITY FOR THIS MISTAKE and return to ABRAHAM'S GOD, the world won't realize that the WHITE SLAVE HOLDERS BLINDLY TRUSTED THE BIBLE. These passages are OUR FAULT. WE GOOFED. Please, forgive us for we KNEW NOT WHAT WE DID.

Your move, Ma'am. I have done all I can from here. Both my parents are alive and know I did all this ROLE for HONOR.

Peace,

David

Subject:Ms. Lacey, I'm a humorist who has earned the GREEN LIGHT from US SECRET SERVICE TO RAISE THE MARINES. I wonder if you'd help me. I put my career on hold to do this right the FIRST TIME.

6 January 2016

Dear Ms. Lacey:

I BUILD COMPUTER GAMES using hypnosis INSTEAD of graphics. When I realized TERROR METERS did the same, but from the WHITE HOUSE, I found DUTY attacking MY KIDS in a way MY MARINES never saw this attack! So, I am a former Richland, WA, Junior Police Cadet, but due to complications of a birth defect, I could not get into uniform due to health issues, when I applied internet tools to history -- where humans are DATA PACKETS and LIES ARE VIRUSES -- I slammed into a COUP IN PROGRESS attacking PRESIDENT OBAMA by the LAST ADMINISTRATION using POLICIES AS TORPEDOES.

As one who builds computer games using hypnosis INSTEAD OF GRAPHICS so all seven plus BILLION NEW CONSUMERS come into this market without needing an X-BOX, being of the paper of a KING, I decided to do the impossible and be everywhere at once. By using the internet to move ideas at the speed of light, I could be a SUPER HERO COMPUTER GEEK when a world of computer geeks are finally able to look down on this advancing nightmare and realize it is being SLOWLY ENGINEERED by people who pass fiction as fact.

[I went to the US MARINE CORPS and the US DEPARTMENT OF JUSTICE to do something only a JEWISH HUMORIST could do right. I ROSE TO ROLE PLAY so I could protect my kids from a HIGHER ROLE than PRESIDENT.

I was born in Los Angeles County Hospital on 26 January 1961, and thus being Aquarius. When I found a coup in progress, I went out and bought a domain I no longer own (DavidBragerForPresident.com) because, with a coup, my time was best spent building this case.

I told them, when I had completed my case construction and tested all my tools, then and ONLY THEN would I take my career anywhere, for the NEEDS OF THE MANY outweigh the needs of the one. I had sent all these tools to Burbank Chief of Police Scott LaChasse (SLaChasse@ci.burbank.ca.us) because he protects the dreams and the dreamers, and my only work on TV in the 1960's was on a soap opera in 1966 as a child prop (non-speaking role).

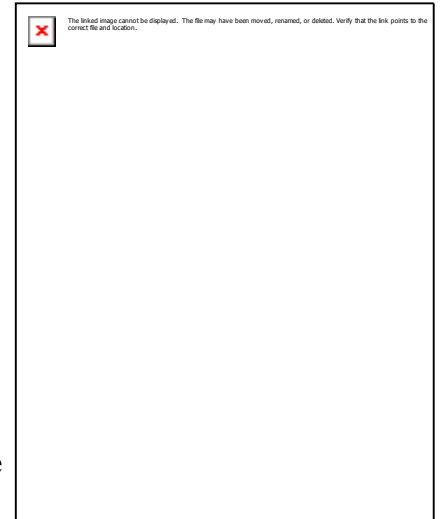

Greetings. My name is David Brager. In the 1990's while brainstorming at all hours for Rodney.com, Rodney Dangerfield told me **I only get ONE CHANCE to be new**, so save it up, hone my craft, and bring work ready

to roll. I have that and **so much more** because **the USA needs a MIRACLE** and I'm allowed to give my best to my nation for HONOR.

This photo is my current (2013) half-shaved drivers license photo, as I have eczema and must shave from time to time, so this allows me to always have proper I.D. by placing my thumb over the incorrect side, proving how I THINK AHEAD so as to make problem solving work better.

it is my hope, Ms. Lacey, that you will HELP ME FIND AN AUDIENCE TO BREAK MY CENSORSHIP. The US DECLARATION OF INDEPENDENCE WAS CLEAR. IF YOU SEE DUTY THAT NO ONE SEES, it's YOURS.

I'm Jewish and arguing someone caught an intelligent virus and IT WROTE THE TORAH, demanding a real reason for a JUDGMENT DAY, for now, with over 3000 years of humans, the "Israelites" cannot be human. The Church's work with possession is real. THE TORAH is a SYMPTOM of a real problem.

However, since 1833, the Torah, as a problem, was upgraded by rich idiots IN OPIUM who learned to LIE AS A TEAM. Now that we track computer viruses, their vapor trail reveals bad advice going to ALL SIDES, people dying, and yet, in the end, they are selling OPIUM AND OIL to ALL SIDES. Such wickedness needed a very special trap.

As the first five books of the Bible are our translated Torah, so, if someone from the PAPER OF KING DAVID did not learn why someone would ask for a painful death and be crying out, "FORGIVE US OUR TRESPASSES," a lesson that needed to be learned was aching for discovery. Hence, being Jewish, I found three things about the logistics of Torah that have YET to happen in human history.

1. Wise and LEARNED managers NOR PARENTS ever side with some BULLY who pops up as untrained and unapproved management to make ones employees do things one forbids them to do. When one returns, one sides with the meek. Had the Tablets ever actually happened on Earth with Humans, and had Moses been Human, the tablets would never have been broken.
2. Contracts on the table find, in over 3000 years of human law, only redundant copies of contract. There has never been one copy of the contract that is encrypted by the author. Thus, the concept of the Torah as a contract between humans and God is impossible in human logic.
3. You would never find only one copy of the instruction manual for the entire internet on one server with its minions doling out information. There were NEVER to be any copies of the Torah. The concept of the Torah as a reference material is impossible in human logic.

Whoever the Israelites are, they were NEVER HUMAN. The concept of the Torah being a foundation for human civilization is not stable for humankind because its logic isn't human. Thus, Mohammed's work with the Jinn will finally make sense. There are intellects you can meet in your mind you must never let meet in a material world for their logistics ONLY WORK IN FANTASY.

Why is this so important? Because, to teach HOW TO USE INNATE ABILITIES, someone had to carry the BIG TRAP for GEORGE and all of the BURNING BUSH. **When I found these logistics from the Bush White House, I built this case because Bush attempted a coup using MISMANAGEMENT from the White House, and his torpedoes are the PATRIOT ACT attacking the US CONSTITUTION with SO**

MANY RULES, the rules are this man's weaponry to ATTACK OBAMA from the last administration, in clear violation of OATH OF OFFICE!

In what follows is a brand-new streaming media field to REBOOT RADIO OVERNIGHT for the whole world. Folks say, "THINK GLOBALLY and ACT LOCALLY," but I found, with the RIGHT ROLE PLAY, one can act globally with a commanding performance. In reaction to TERROR METERS, which frighten the public using memories of 9/11 as a trigger, I put the first FCC-compliant platform for hypnosis into the public domain **to create NEW WORK** and expose a coup.

I wonder if you'd help a disabled patriot return to comedy? My career went into MOTHBALLS when I found something NOT FUNNY happening in 2006 after I stumbled upon a puzzle in 2005 in the DESIGN of the GOSPELS that reveal SPACE-TIME ANALYSIS TOOLS (which Dale Graff, CIA's lead at Project Stargate, had NO IDEA were here all this time!). Had these tools arrived over 3000 years ago, we would have had COMPUTERS 3000 years ago. Someone caught an intelligent virus and IT wrote the Torah. This is MY RESPONSIBILITY because **I am of the paper of KING DAVID**, the world looks like Revelations, and

Someone should pick me up and CHAMPION ME TO THE WORLD so SEVEN BILLION new consumers discover we now can stream media for the MIND. I did something GUTSY as a GONZO JOURNALIST to TEST MY TOOLS IN REAL LIFE SITUATIONS with the right paperwork and credentials. Using the internet as a window into the WAR, I changed their COUP by rising to TRUE PROPHET FOR JUDAISM because it's much stronger than PRESIDENT as my mom's mom's dad is of this paper of King David.

Veterans Today editor Gordon Duff is a US MARINE. This past spring, Gordon wrote to me:

When GORDON THINKS **I NEED TO RAISE THE MARINES, THIS IS A GOOD SIGN TO DO JUST THAT**. So, I deciphered what the email address would have had to be to get an email to Joseph Clancy of Secret Service, and Director Clancy sent Special Agent David Huntoon to me from the Spokane Office. That is when I earned the GREEN LIGHT to proceed.

If you need to reach me, you might want to contact Special Agent David Huntoon. He came to my door 23 June 2015.

I have 31 years of private research behind me, but a United States **World War II Army Air Corps Warrant Officer** supply pilot named **Charles "CHUCK" Brewer** wanted, in 1983, to learn computers in the worst way, and so, he made me a mentoring swap and taught me of his hobby of 50+ years if I'd teach him of my hobby of computers that was only ten years old. **Had Charlie lived to see TERROR METERS, I have full faith he would have jumped up to do exactly what I am doing to this very day.**

Why make news when one can make GREAT UNITED STATES MARINE CORPS HISTORY? I have never been in the news. Rodney Dangerfield told me I GET ONE CHANCE to be new, but when I found a problem NO ONE KNEW WAS ATTACKING THE US MARINE CORPS for what is now 183 years using a weapon that was STOLEN from the DESIGN of the Torah, **I found DUTY!!!**

I did take the Armed Services Vocational Aptitude Battery and tried to get into uniform, but due to complications of my birth defect, the US Army said, "no." As I am on SSD, when I found a problem attacking the USA for what is now 183 years that no one could comprehend, as I have the income to support my efforts, I meticulously spent the past DECADE hound-dogging this case so my **MARINES can SEE IT IN THEIR MINDS, and** before anyone can panic, **fix it!!!**

In 2006, I went into the Kennewick, WA, USMC Recruiting office and TOLD IT TO A MARINE. If the data was this good, all MARINES are MY FLOCK as I ROSE TO BE A GOOD SHEPHERD so when WOLVES IN SHEEP'S CLOTHING try to make wars, by emailing a battery of tools i decoded out of a PUZZLE IN THE GOSPELS THAT CIA HAD NO IDEA WAS HERE, I FOUND DUTY TO GOD AND MY MARINE CORPS!!! So, I told the D.I., when this project finally had enough data to prove my tools worked, then and ONLY THEN would I pursue my career so while people are looking at my works, this will give the USMC A CLOUD COVER TO DO WHAT YOU MUST TO STOP A COUP!!!

In 2011, for USMC BIRTHDAY, I posted all work to date and all tools so that the USMC had everything for the delivery of the RAPTURE:

<http://www.leatherneck.com/forums/showthread.php?106993-Marines-HAPPY-BIRTHDAY-I-have-met-with-FBI-and-have-permission-to-raise-the-MARINES>

Search YOUTUBE for FEMA GUILLOTINES. What BUSH spent your kid's tax dollars upon will blow your mind, but when you see the SALE OF THE U.S. NATIONAL DEBT, should the Chinese have pulled the loans, the public would have panicked, creating, from his own works, a quote-unquote zombie apocalypse, but as a game designer, in finding people using Revelations as source code, I used my internet terminal as a WINDOW into the war, and defended the protection of MY MARINES who had no idea there's a puzzle in the USMC BIBLE.

On the back of the US ONE DOLLAR BILL are all proofs of this problem: Thirteen stars in the SHAPE of the star of David over E PLURIBUS UNUM on two different ribbons reveal ARGUMENT: IN ALL ONE, but divided by the LOGIC of the TORAH! WE GOOFED. PLEASE, FORGIVE US, for WE KNEW NOT WHAT WE DO.

The Torah is DOUBLE-ENCRYPTED. It was designed to create CHAOS, so if anyone replicated it as weaponry, by UNINSTALLING BACK TO EMPTY HANDS, all who replicate the chaos making are instantly exposed in the minds of all because of the values such people exude in public: They exude allowance for values to torture AND dishonor AND scapegoat AND lie. The ZOMBIES are here. One such person WROTE A TORAH.

Since 1833, however, Torah's been UPGRADED TO PLANETARY WEAPONRY BY PEOPLE YALE IDIOTS WHO LIE AS A TEAM. Now, with computers, their viral track can NEVER BE ERASED, but what happened to LINCOLN is happening to OBAMA due to MISMANAGEMENT AS WEAPONRY, and these PRICKS are CAUGHT!!!

It is my hope you will realize, Ms. Lacey, that I'm really doing this, and, with all these discoveries and tools I bring, you will create A MARINE CORPS team, bring them to my hometown and then BRING THE WORLD.

I found a puzzle **hidden in the GOSPELS that should be in the USMC BIBLE** that NO ONE knew revealed tools to assess space-time so one can WRITE A TORAH and set a complex trap for GEORGE W. BUSH, who was so wicked, he NEEDED a very special trap.

When reality is SAFE and you scream out, "I CAN'T BELIEVE THIS IS HAPPENING!," when using the subconscious to drive graphics, this turns OFF the graphics and returns one here to DEFAULT MODE. Thus, all WAR is simply a BREACH in the BARRIER between FANTASY LOGIC and reality logic.

To get a message THOUSANDS OF YEARS INTO THE FUTURE, it had to be ENCRYPTED, so no one would know what they were carrying, it had to be ENSLAVING, so no one would drop it, it had to be DECEPTIVE, so it did not deliver what was promised, and finally, it had to be REJECTED, so that, in this moment of CLARITY, one can then DISSECT THE DESIGN OF THE DOCUMENT. To this end, as a Jewish computer hack of the direct paper of King David, I apologize as I discovered how **the TORAH IS DOUBLE-ENCRYPTED. Its lessons are in its DESIGN, for Abraham received EMPTY HANDS, and our contract is with Abraham, not Moses.**

When David Shepherd, the improvisation guru who'd worked with Viola Spolin to create the Chicago Compass Theatre (the precursor to Second City), used my parodies with his Valley Cabaret in Northampton, MA, **The Dramatists Guild of America allowed me to join #76020** (though my dues are in arrears at this point in the project). Please consider these, for I would be glad to place them over other music so they could be songs on their own, but as you know the music, you can see syncopation and character of content with these works:

<http://www.oocities.org/dibragerowtcom/parodies.html>

I put my Dramatists Guild of America theatre work on hold in 2003 when I **applied internet tools to history to slam into a BUSH coup attacking NYC**. If you would like to see my craft, my comedy, and my chops, consider this WGA registered film script:

<http://www.oocities.org/dibragerowtcom/34drinks.html>

or consider this play (though, if I could find a composer, I'd like to turn it into a musical (but note that the phone number and email address on this archive are no longer valid)):

To create new work overnight, **I have placed tools for hypnosis and remote viewing and space-time analysis into the international public domain because I FOUND A PUZZLE IN THE GOSPELS NO ONE KNEW REVEALED THESE TOOLS!** When the ALWAYS FAITHFUL MARINES learn what I bring are in their own possession all this time in the USMC BIBLE, **TERROR METERS WILL END!**

Sometimes, you have to hack the software to change the game because the programmers cheat and make the game unwinnable. I build computer games by looking down from GOD'S PROMONTORY, and from this vantage point, when I realized there were people using REVELATIONS as if actual game source code, as the ultimate STAR TREK GEEK, when I found a Kobayoshi Maru, no-win situation, I re-programmed their game so it had a winnable solution. From here in Richland, Washington, I used my internet terminal as an MMORPG window into the war, to rise to role play AQUARIUS, TRUE PROPHET FOR JUDAISM because Bush and Kerry are FALSE PROPHETS. It's worked, but now, I need to deliver tools that were supposed to have arrived over 3000 years ago.

From the end of the age TODAY back to sermon on the mount is a STRAIGHT-LINE TIME MAP. CIA and USMC and FBI had no idea. So, by rising to role play in real life, everything I do is public domain. **I hope to be**

JOKE WORTHY as I found a problem no one saw.

People are so afraid of intellectual property rights being infringed, so I posted everything online so that nothing coming to you is in any way jeopardizing your privacy. **Everyone needs new work, so, to REBOOT RADIO, I am here with an FCC-compliant platform for hypnosis** I placed into the INTERNATIONAL PUBLIC DOMAIN in 2003 to protect the INNOCENT from the wicked who use hypnosis in advertising to make people mentally ill (like GEICO and Progressive Ads).

<https://groups.google.com/forum/#!topic/alt.hypnosis/QkmZA1xYxvY>

I am what Peter Drucker refers to as a MONOMANIAC on a mission. I am not an egomaniac. **I am theatre people, but I see something my MARINES never saw, so I found DUTY.**

You have my permission to disseminate this transmission. In this, you will meet [two non-human intellects](#). Please, don't panic. I've been on this NON-STOP since 2005.

What happened to ABRAHAM LINCOLN was due to JAMES BUCHANAN spending every dollar to create an invisible weapon using economics to rock the ocean so no one sees the PRESIDENT rock the boat. By BUSH replicating every stage and attacking OBAMA, yet another innocent man from Illinois (as Major General Smedley Butler caught the BUSH and HEINZ family (John Kerry's wife is Debbie Heinz) last time with the WHITE HOUSE PUTSCH), in applying internet tools to history, **I found the White House Putsch never stopped their attack on the coffers**, but Deep Throat was correct. FOLLOW THE MONEY.

In 1992, Skull and Bones member George H. W. Bush stated to White House Press member Sarah McClendon: **"Sarah, if the people had ever known the truth about what we Bushes have done to this nation, we would be chased down in the streets and lynched."** I love it when the villain makes a proclamation of guilt in public. All I had to do was build the case to support it, and this statement becomes the final nail in all their coffins, for WE THE PEOPLE are only the GOOD!

THE BURNING BUSH are so wicked, they double-cross people who trust them MOST. **They secured loans in GERMANY** by DEMANDING of President Woodrow Wilson that loans be given to Germany at the end of World War I, but then they gave bad advice to everyone in the USA to extend their credit, causing the GREAT DEPRESSION. What no one noticed is that Prescott Bush is standing RIGHT NEXT TO HITLER when **the loans in Germany were PULLED**.

BUT NOW THE LOANS ARE IN THE USA FROM CHINA, and a search of YouTube reveals that HALIBURTON, the only contractor, was paid US TAX DOLLARS to build [FEMA Guillotines and Coffins](#), and [Trains with SHACKLES](#). Had the CHINESE pulled the loans, the public would panic, creating a ZOMBIE APOCALYPSE as written, yet **we build computer games these days and we have their source code**, but we never considered that the chance for a rich man to get INTO HEAVEN was actually a **TRAP to get the MOST WICKED to come to head** so they can be expelled OUT OF HEAVEN!

So, as President is just a role, to **TRUMP THE ROTTEN GEORGE W. BUSH BASTARD**, I then rose online in 2008 and, using BrooWaha Los Angeles...

<http://www.broowaha.com/articles/2957/marines-save-the-usa-from-an-infected-administration>

...to the role of **AQUARIUS, LAST PROPHET FOR JUDAISM** as I returned the paper of King David back one generation to EMPTY hands so I could SET THIS TRAP and decipher HOW TO WRITE A TORAH to set traps thousands of years in the future so as to PROTECT YOUR KIN when they NEED ANSWERS! Besides, with a universal legend for each finger so as to turn it into an eight-bit decision computer, barrier between

fantasy and reality, and a universal language/error channel, had this arrived, **we would have begun civilization with computers** and nothing is written so there would never be a Torah hence **the promised land was system peace**, not Palestine.

I met with FBI in 2010 to get permission to build this case, and in June of this year, US SECRET SERVICE gave me the green light to raise the MARINES, but I decided to wait until after Christmas. 2015, so that, just before the election year begins, this discovery hits so that everyone can see an attack on the USA since 1833 by Yale's Skull and Bones, thus exposing a problem CREATED by BUSH and KERRY, **in VIOLATION OF OATHS OF OFFICE**

It was discovered when I was 19 that I actually have the birth defect of being XXY with Klinefelter's Syndrome, thus developing attention deficiency disorder (ADD), obsessive-compulsive disorder (OCD), and diabetes, and covered by the Americans with disabilities act. With the hand tool, by only using thumbs and eight rules using fingers as FAST AS POSSIBLE to make as many decisions as possible, ADD becomes MASSIVE MULTITASKING, OCD becomes PATTERN MATCHING TO CREATE NEW ORDER, and **DIABETES IS FUEL! Seriously, I BRING A PERMANENT CURE FOR DIABETES**, but all this work is to raise the baseline US CITIZEN level so that our MARINES will RISE to fix a major problem!

Please, if you can, **get cannabis** as **it sustains a subconscious state**, allowing mind to work INDEPENDENTLY of body, for, with two system commands and eight rules as a TIME-SLICE tool for analysis, one human can track a whole system of civilization to expose people who use material logistics as weaponry. These RICH IDIOTS never considered how logic attached to matter and MONEY travels at the SPEED of matter whereas logistics attached to PURE FANTASY and MIND travel at the speed of MIND.

PLEASE BLAST THIS TO THE WORLD. I have **met with US SECRET SERVICE and earned the GREEN LIGHT to raise the MARINES** so that the BARRIER between FANTASY LOGIC and REALITY LOGIC is clearly defined forever because some logistics only work in fantasy, like WAR. THEY ARE TOO MUCH WORK in reality.

In 1992, I was introduced to Shalom United Church of Christ (hereafter Shalom UCC) in Richland by Dr. [Douglas Bolitho](#), who was the programmer for [Push Button Bertha](#) -- the VERY FIRST computer music in the USA. Doug said that I'd find a home here, as this church, at the time, was the BLACK SHEEP of the local community, for it would fight for the freedom of speech for the oppressed, like Gay Youth.

At Shalom UCC, as a Jewish computer geek, I found a 42 point puzzle hidden in the DESIGN of the Gospel of Matthew placed there by an EINSTEIN who SEES OUR CURRENT WORLD and sent RECON that revealed THREE TOOLS every computer geek needs to learn (all follow). With TWO commandments using thumbs and EIGHT rules using fingers, as a TIME-SLICE judgment tool so one can hyper-analyze a very complex system by looking at sheets of NOW against flows from logistical errors in the past and advancing chaos in the future, this reveals how **BLACK HAT HACKERS are actually INFECTED by something that is USING THEIR AVATARS** because they CHOOSE to exude values to MAKE OTHER HUMANS TORTURE and DISHONOR and SCAPEGOAT and LIE because of POLICIES and DEFECTIVE SOFTWARE.

I bring new commerce, industry, jobs, and FUN, as over seven billion consumers come into a market where **we sell and service software written directly for the human mind**. This allows us to REBOOT RADIO and get work for actors and everyone. While this is happening in the foreground, our MARINES will then do a JUDGMENT in the background so that **those who bank on chaos and panic are exposed for attempting a COUP**.

I need help to complete Monty Python's ultimate joke, for **there is one joke that is so dangerous, people will LAUGH THEMSELVES TO DEATH**, but it is from those **idiots who ran the MANCHURIAN**

CANDIDATE PROJECT on the US MARINE CORPS so they could **FRIGHTEN THE PUBLIC** so no one would ever learn hypnosis and thus never learn of this puzzle I found in the Gospels that is written in hypnosis logic. These bullies were so sure they'd **REACH ARMAGEDDON**, they'd never get caught, but they never considered the trap when **NOTHING IS WRITTEN!**

My book, The Future's Toolkit, is **filled with comedy**, poetry, and tables, so, if you want your Guest to experience **THIS**, then write your software for the mind like **THAT...**and so forth. In my test market at Scribd.com, I've earned 5/5 stars in two different test marketing runs at this site, though book publishers let me know this was a **BAD MOVE** on my part, the reality is, this is **MY MISTAKE**, but it allowed me to know what worked.

I have spent ten years setting up **DOMINOES** using the internet to pre-INFECT the logic of those who would absolutely need to know what I know so they **ACT** accordingly and **DO NOT PANIC**, for I found people who **manipulate whole systems** by using **MONEY AND POLICIES** as **TENTACLES** to attack a system of systems. My resume and publication history, for this role playing game in real life, is archived online at a domain to which I do not own, so the phone number and email address on this linked page are incorrect, but I needed the time-stamp for my game:

<http://www.oocities.org/dibragerowtcom/resume.html>

I'm here to prove someone caught an intelligent virus and wrote a Torah. However, since 1833, Yale's Skull and Bones pulled a **WEAPON** from the **DESIGN** of the **TORAH** to attack the **US CONSTITUTION** with so many rules, the rules are their weaponry, so, when I found this pattern coming from the **BUSH WHITE HOUSE** with the Patriot Act, to **FUCK BUSH** in a way he will **NEVER DISMOUNT**, I contacted the Israelis in 2008 by way of Chancellor Angela Merkel and rose to **ROLE PLAY THE PROPHET AQUARIUS IN REAL LIFE** so I could test my **IMPROV TOOLS**, because, with **TWO** commandments using thumbs and **EIGHT** rules using fingers, as a CPU decision tool, **IMPROV IMPROVED!**

Look at your hands. Your **MIND REMOTELY** controls your avatar. A person has an idea. Somehow, that person has to move that idea through an entire **DIMENSION** of communications and then an entire dimension of feelings and then an entire dimension of belief systems before becoming of matter to synaptically move the logistics of time to become these actions here in our most immediate space, thus affecting the logic of planes, lines, and points that run away from you into the past in space-time.

This is my Ph.D. experiment for **INSTANT** world peace in 48 hours using the cascading logistics of an atomic bomb, but using pure communications, not matter. I've kept Ronald Iden of Disney's security on my emails throughout as he's protecting the dreamers and needed the best intelligence money can't buy. Please watch these two videos (I don't have editing software worth a damn anymore, so I just posted these):

To use your analysis tools for this system, please label FOR ALL TIME, but ONLY IN YOUR MIND, from left index to right across your palms with the following terms: lie, scapegoat, dishonor, torture, steal, overwork, adulterate, kill. One note: The reason I use "adulterate" instead of "adultery" is because we are talking about the tainting of LOGIC OF ANCESTRY.

Left thumb represents IN YOUR MIND ONLY, the value to "Love ____ with all your heart, all your soul, and all your mind." Right thumb represent IN YOUR MIND ONLY, the value to "Treat everyone as you want to be treated."

If you do not lie, then you RESPECT the TRUTH of your life's path FORWARD in space-time so you PROTECT THE BARRIER.

If you do not scapegoat, you RESPECT THE MISTAKES in your life's path BACKWARDS in space-time and learn from them.

If you do not dishonor, then you respect the peace you keep with your FRIENDS AND FAMILY as you all travel forward through space-time.

If you do not torture, you respect the WAKE you leave behind your entourage through space-time.

If you do not steal, you respect the burdens of OTHERS BEFORE THEY ARRIVE in your vicinity in space-time.

If you do not overwork, you respect the burdens YOU ADD TO OTHERS as they leave through space-time.

If you do not adulterate, you respect the rights of others to making ancestry that moves forward through space-time.

If you do not kill, you respect the rights of others to HAVING ANCESTRY that moves naturally backwards in space-time.

Notice how these are paired. Please pair these with your fingers. This is NOT HEBREW. This is its own language -- an error channel that allows you to SIGNAL when you have endured ENOUGH of any of these errors.

Notice how this draws a triangular plane in space-time, and in one sweeping decision, checks and balances all against the possibility of CHAOS. This is FOURTH-DIMENSIONAL LOGIC.

Notice how the left hand concepts are for YOU ALONE on YOUR PATH FORWARD AND BACKWARDS IN SPACE-TIME. Meanwhile, the right hand is for your INTERCEPTION with all others as they are on each of their paths in space-time. Hence, before you, judge the CROSS, for left hand concepts require RIGHT HEMISPHERICAL processes, and vice-versa, revealing INTELLIGENT DESIGN at a time in history when it was just a myth yesterday.

So, now, **let me introduce you to TWO DIFFERENT NON-HUMAN intellects.** There's the one that made the hand tool system. There is the one that turned its shape into letters in a BRAND-NEW ALPHABET, and then set this letter to being the first of the Hebrew word SHALOM so today, when you see how we Jews were deceived, you can see all the PEACE WE MISSED by blindly trusting the author of the Torah. Remember, Abraham had EMPTY HANDS, not a Torah, **so our contract is with Abraham**, not Moses!

Clearly, this is the answer to both **Fermi's Paradox** and **Occam's Razor**.

- By **BLINDLY TRUSTING** the chaotic logistics of an alien intellect without comprehending its design, our species is employing logistics that are too dangerous for intra-species connectivity, for, by repeating Torah year after year, the Torah is a **ZERO** or **GOLDEN RING** with **WICKED WRITING ON IT** (as perceived by Tolkien), but by slicing at Manna and revealing its true design, this now becomes a **ONE** and thus allows people to actually begin the lessons on how to write a Torah and why do it? Hence, this exposes **Fermi's Paradox**. Our species has a problem and until we put **PANDORA** back into her box, our species is **TOO DANGEROUS** for inter-species contact.
- As to **Occam's Razor**, there is **NOTHING SIMPLER** than **EMPTY HANDS** and a universal legend.

The author of the Torah opens, officially, the field of Xenolinguistics. The **ALIEN** intellect is brilliant, but its logistics are so enslaving in a material world, the mistake was in picking it up in the first place. We should have never picked up this device for Abraham had **EMPTY HANDS**. The discoveries I bring are **PHENOMENAL** when you compare the two intellects side by side. Please, don't panic.

When you use this tool now, you discover that King David **ADULTERATED** with **BATHSHEBA** and **SCAPEGOATED** her husband, who died. **THE STAR OF DAVID** is actually a representation of his **SINS**, and thus, as long as the **TORAH** remains in effect, all of us named **DAVID** are **DAMNED**. I did this so I might raise the quality of this experience as I join all of the **FAMOUS DAVES** of this world as a **I SHIELD** of the **HONOR OF A KING** from the **DISHONOR** of a bad decision several thousands years ago.

Using standard literary criticism, when you read a really great book, no matter whether it's fact or fiction, because of the flow of logic through space-time, the writing gets better and better as one reaches the end of the writing. Sliced with Manna at the end of the read, we find not five books of Moses, but **SIX**, with Exodus at **BOTH ENDS**. This reveals Dungeons and Dragons game design from thirty years ago: four books of rules (Last 1/2 Exodus, Lev. Numbers, Deut.), then the players guide (Genesis) and then the game (First 1/2 Exodus) through the lives of **THREE** distinct **MOSES** (the one fished out of the Nile, the one that divides the Red Sea, and the one that unites it).

1. The guy on the cross is the first Moses, and as you learn of remote viewing, the first born being killed were of issue during his stay.
2. By Mohammed tackling the second quest, he divided the world (the **RED SEA**), but exposed the problems with bad values through a field of space-time.
3. By my rising to complete the third quest, the Egyptian Army in this fiction are, in our shared reality, those villains who picked up the logic of the Torah as their own invisible weaponry, for they alone will have earned the disrespect of their own peers.

No wonder the US Government named someplace "Area 51." How do we explain this **AREA** between the **FIVE** books of Moses and this **ONE** extra chapter?

We, as a species, are enslaved to the logic of another species. That's why they crucified him **AT HIS REQUEST**. He argued the Torah wasn't from God.

I am of this **PAPER** of **KING DAVID**. I bring proofs and support that this crucified man's arguments were valid.

My whole project for peace with Islam, up through May, 2008, is archived online at this link, though it continues, unabated to this day:

<http://www.oocities.org/dibragerowtcom/project.html>

I am looking to put a project to bed with finesse before I can be considered for employment anywhere. When

the puzzle is decoded and the delivery of the Rapture is finally complete, once people realize this man on the cross IS an EINSTEIN who SEES our world and IS SENDING help the only way he CAN, please realize that **such grandeur demanded grace, tenacity, tact, and timing so we all truly have a HAPPY NEW YEAR!**

The last time I was on any airwaves was on Friday the 13th of February, 2004, to do a hypnosis to multiple orgasms session on the air at the Eagle 106.5 in Kennewick, WA, at 6am. The woman topped out at about 100, and the station took on a *particularly aromatic quality* you can't get out of an aerosol. At the end, she said it was the best sex she NEVER HAD! The station management, however, had the last laugh. As so many parents called in to ask, "Why do I have to educate my child as to what an orgasm is in the morning?," the station FIRED the morning host the next day, though they spared Franky Four Fingers, who was the sidekick.

My business plan, the capstone of my MBA, reveals all markets that open with my delivery, as well as what markets will forever close here at the END OF THE AGE due to these innate abilities being fully utilized. This link goes to the middle of the paper to key people to whom I've personally primed their logic so they will adapt instantly when these tools and markets arrive:

http://www.oocities.org/dibragerowtcom/busplan.html#TECHNOLOGY_PLAN

In the 1980's, when computers had lousy graphics, in my research, **we were doing hypnosis Dungeons and Dragons**, and the players SWORE they were battling real monsters in real time. As it is INSTINCTIVE to shout, "I CAN'T BELIEVE THIS IS HAPPENING!" when things in the game get too weird, this turns OFF the graphics of the mind and returns one here to default mode...on Earth as Earth is in Heaven...something went wrong. **Apparently, this was a gaming planet, and someone left a game out in public.**

To find the puzzle and to learn remote viewing, please get at least three others, assign one to ONLY read from the Gospel of Mark, one from Luke, and one from John, but have them read in the round Mark 1:1, Luke 1:1, John 1:1, Mark 1:2, Luke 1:2, John 1:2...etc. from 1:1 to 1:14. This will educate your mind's eye to see everything. This pathway then reveals a corridor in your mind that allows you to see all of time, and everyone in history who found this left their own puzzles of 42 so after today, you will find more depth in the writings of **Douglas Adams, Philip K. Dick, and Lewis Carroll**, as well as the Prophet Mohammed, Nostradamus, **Leonardo da Vinci**, and members of both Knights Templar and the Freemasons, who found these tools long ago, but put hints to this fact in **their main logos**.

Here is **proof from the US Government that they knew, in the 50's, remote viewing**, they knew the Government was infiltrated and they knew that the public was in grave peril in the future if no one took the time to send help, so they found a way to send a message hidden in a public service film. I found this on YouTube and it notes in this black and white movie's blackboard to see what is now current historical data of a baseball score here 50 years later as well as a warning of an attack that is WITH NO WARNING...so I've been on this NON-STOP as no one sees what I see:

<http://www.youtube.com/watch?feature=endscreen&v=r5L0JtCSZ-o&NR=1>

My concern is that this Earth might not be a planet but some form of starship. With the polar melt, something on the south pole looks like it might be a propulsion system, and **if you needed a propulsion system for a planet**, it would have to be on the pole:

<https://youtu.be/wNUG7WHVJq8?t=134>

As a Commodore 64 programmer, I learned computer memory mapping from [Jim Butterfield](#) in 1982 while mapping the first generation C=64. However, in 1983, I merged computer logic with hypnosis and began doing volunteer work as an experimental hypnotist as **I mapped the human mind as if mapping a computer**

matrix.

Please, make me your SUPER HERO internally, **not externally**, so duty is realized, deemed accountable, and COMPLETED. Please help me deliver the Rapture so the WORLD GETS PEACE and **I can go back to comedy** knowing that the world is safe as art FLOURISHES OUTWARDS.

The WHITE HOUSE PUTSCH 2015 INVISIBLE WEAPON ARSENAL to create ARMAGEDDON as if REAL is as follows:

The SALE of the US National Debt makes it so that, should the Chinese for any reason decide to pull the loans, the public will panic.

About 24 months ago, all the SUPER RICH pulled their icebergs of investment pulled out from beneath your feet, like Soros, so now, the US Economy has been floating on ICE CUBES of small investments, and this is volatile.

Here in the inland Northwest, every time we get a clear sky, within a few hours, planes criss-cross the sky and spray some crap that never dissipates, unlike condensation trails that disappear, until there is a cloud cover which then beats up everyone with increased heat that is then retained, catches the jetstream, and becomes invisible and UNPREDICTABLE weather WEAPONRY against the poorest in the MIDWEST and EAST without anyone seeing it happen. At any time, these planes could change to spraying poisons or health-related issues and we have no way to stop it because we've dismissed that this threat is REAL and DOMESTIC.

They have FRACKING down to a science. They can make earthquakes hit California on CUE because they've gotten very good at this.

Microsoft has stopped support for everything except Windows 7 and 8, but they did not tell anyone they changed the baseline time servers out of the box to TIME.WINDOWS.COM, not TIME.NIST.GOV, so this company which was caught for anti-trust in 1997, is attempting to corner the TIME SERVERS of the INTERNET, allowing Bill Gates to make good on his threat of "HE WHO CONTROLS THE INTERNET CONTROLS THE WORLD!"

They are using POLICIES as tentacles of invisible WHIPS and CHAINS to beat up innocent people while enslaving them to systems of systems that violate the very structure of the US Constitution.

There are HIPPA audits beginning that are going to confound and confuse medical even more.

Another CENSUS form just popped up, just like last time, out of the blue, but this time, during the hottest time of summer.

John Kerry, member of Yale's Skull and Bones, is somehow now Secretary of State, but with all my data, is the mortal enemy of the USA because these people are doing this pattern of game design again.

Here is what they did LAST TIME verses what I am seeing happening right now, so you can see they are doing exactly the same pattern they did last time, but at the same time, for my work, as I role play PROPHET and deliver all these tools while also clearly defining it's just a role and it is being performed by me, I have been sending all these tools I unearthed from the Gospels to everyone on ALL SIDE so that the barrier between fantasy and reality remains in the mind as best as possible so that those who are double-crossing people into wars are exposed for this infidelity of logic.

=====
LAST TIME

Bill Gates, out of the blue, announces that he's stopping support for all but Windows XP.

All the plug-in support firms, like Adobe, stop support for anything but Windows XP.

The poor can't surf the Internet at home but must go where there's a supported operating system.

Bill Gates kicks the poor.

What does a FREE MASON as opposed to an ENSLAVED MASON build upon?

A Free Mason builds upon SOLID GROUND because it will always be there.

By Bill Gates setting expiration dates for Windows operating systems, he has become a slave-driver on the

whole world.

George W. Bush changes Daylight Savings Time.

Now, the poor KNOW they are poor because they have to MANUALLY change their computer clocks.

On 19 December 2007, a STAR WENT SUPERNOVA.

People exclaimed, "That's just like the star in the JESUS Story."

I sent a fax to the Washington D.C. Embassy of Greece to ask they begin their judgment of my work.

JESUS and CHRIST are titles.

Until Greece KNOWS they have to JUDGE AGAIN, they would not know to have to do this.

This day turned out to be Mount Arafat Day.

All of ISLAM foretold a GREAT JUDGMENT WOULD BEGIN THIS DAY. (IT DID!!!)

Just after the Christmas 2007 holiday but BEFORE NEW YEARS, when everyone is bedded down until January, the US Government drops a CENSUS FORM that MUST BE TURNED IN OR SUFFER FEDERAL LAW VIOLATIONS.

Form says that it only takes 35 minute to fill out.

Actually takes days because you must call your electric company and utility providers to get data.

This creates hated of FEDERAL GOVERNMENT.

This creates ripples in tension in economics as these cities hadn't planned on this additional expense for staff support after Christmas.

John Kerry announces, "My wife Debbie (Heinz) and I are going to SOUTH AMERICA for ALL NEXT YEAR!"

Who cares???

SIGNAL to SKULL AND BONES members that it's time to LEAVE

CEOS, like BILL GATES and others, start to leave their corporations.

The US Government sells the US National Debt to the Chinese.

I send a fax to the Washington D.C. Embassy for China.

<http://www.oocities.com/dibragerowtcom/chinese.html>

I apologize that this was a BAD INVESTMENT

I up the stakes as PROPHET to shield the HONOR of the USA from the DISHONOR of a BAD PRESIDENT.

I delivered the RAPTURE, being three tools to innate abilities that were supposed to have arrived IN ANCIENT CHINA over 3000 years ago, but someone intercepted them and used them to write a Torah and set chaos on our path.

I go online and get an article published to formally socially distance Judaism from the Torah.

<http://www.broowaha.com/articles/2957/marines-save-the-usa-from-an-infected-administration>

Hereafter, IF anyone is using the logistics of the Torah as invisible to the eyes planetary weaponry, such people are no longer in Judaism's shadow.

China's economy collapses.

China could have pulled the loans to fix this problem. This would have brought war to the USA.

China has an earthquake

Again, China could have pulled the loans because they needed the funds.

There is a FREAK SHOOTING IN BEIJING at the OLYMPICS when BOTH BUSH PRESIDENT are being the BIGGEST DICKHEADS.

China could EASILY have pulled the loans for any number of DISHONORABLE REASONS.

I RE+SEND everything to the CHINESE, as well as to the Olympic Committee in Switzerland BY DIGITAL FAX (I have the original copies on my hard drive)

I BEG THEM as PROPHET to WAIT until Bush is out of office, explaining this dis-harmonization of systems that they're running in the USA.

Dmitri Medvedev is SCREAMING BLOODY MURDER at the USA.

He discovered American Military Advisers in the Georgian-Russian incident.

The TERROR METERS WENT RED FOR THE ONLY TIME THEY EVER WENT RED.

I sent a letter in fax to President Dmitri Medvedev, revealing a DOUBLE-CROSS

<http://www.oocities.org/dibragerowtcom/russia.html>

My mom's mom's dad was the last Czar's wine-keeper.

I am of the direct paper of KING DAVID.

<http://www.oocities.com/dibragerowtcom/fof.jpg>

I begged President Medvedev, as a RUSSIAN AMERICAN, to please walk away from this mess.

Marines are TRUE.

By violating oath of office, the WHITE HOUSE was empty of power.

President Medvedev, in the MOST HISTORIC MOMENT IN RUSSIAN HISTORY, backed down from war.
and no one knows.

=====

THIS TIME...

Bill Gates, out of the blue, announces that he's stopping support for all but Windows 7

All the plug-in support firms, like Adobe, stop support for anything but Windows Vista

The poor can't surf the Internet at home but must go where there's a supported operating system.

Bill Gates AGAIN kicks the poor (I moved my laptop computer to Linux Ubuntu so that I am no longer beneath this man's foot, or so I had hoped).

I discover that out of the box, Windows 7 defaults to time.windows.com

I wrote to National Standards (NIST.GOV) about this.

They knew it had happened but NO ONE TOLD THEM.

NIST was NOT HAPPY that this had happened.

Microsoft's servers could have a blip from their time servers.

All communications on the internet would be off time

Microsoft now takes ANTI-TRUST in a new level.

I began building my case on Bill Gates' anti-trust in 1997.

Article I wrote was published in the UK set milestone:

Walking the Path to Microsoft Hell

<http://oocities.com/dibragerowtcom/microsoft.html>

The last line of that article concludes, " It's not atomic weapons this time, but informational chaos and disorder...and the man to destroy us all will be Bill Gates."

By removing the US Government from control, I was RIGHT!

Just after the middle of Summer, 2014, when everyone is bedded down until January, the US Government drops a CENSUS FORM that MUST BE TURNED IN OR SUFFER FEDERAL LAW VIOLATIONS.

Bill Gates announces he has invested in EBOLA VACCINES.

Ebola turns up in New York City.

"The US is under the highest security threat level since the Cuban missile crisis and nobody is told."

Gordon Duff, USMC and Editor of Veteran's Today Magazine (21 Dec 2014 in email to me (David Brager)).

JADE HELM started in earnest on 15 June 2015 (6/15/15) and starts officially 15 JULY 2015, as TEXANS are FRIGHTENED they are going to be seceded by force.

The EPA hired crew spills toxic chemicals into the Navajo River creating an END OF DAYS type situation.

The world is going into chaos....And this is where we are now.

My concerns, from history past, was bad advice was given to FDR for Japanese Internment Camps. **There are FEMA CAMPS and GUILLOTINES, and JOHN KERRY is pissing the RUSSIANS and USA off at one another.**

I am a RUSSIAN AMERICAN. PLEASE, I have a vested interest in keeping the peace for I do not want to be put into a death camp because of POLICIES from BUSH.

WHEN we catch these idiots who built "Armageddon" as written using the last administration to attack the next administration using mismanagement as weaponry, **the US NATIONAL DEBT is paid.** These bastards cannot be of WE THE PEOPLE!!! They lose CITIZENSHIP, ALL ASSETS, ALL DEBTS WE OWE THEM, and their LIVES! GAME OVER!!!

I have pitched and been rejected for FIVE ROUNDTABLE DISCUSSIONS at the Game Developers Conference on REBOOTING HEAVEN or other avenues to this technology. The most recent was this:

When you use the hand tool to assess and break down the movements of schools of ideas through our species based on the flow of logic, you'll begin to see **patterns in quantum mechanics**, for, when dealing with the movements of matter that is affected by the movements of ideas through humans, every single actions has to move through all these dimensions just to move one's hand to move one's ideas through this dimension.

I wonder if you, Ms. Lacey, would set off a GLOBAL chain reaction using pure communications to re-harmonize the whole world in one single day and expose a problem? **I'm not global enough in Richland, Washington. I need the world to find this puzzle and realize his argument.**

As a communications expert, I discovered how the ownership of such a "...ForPresident.com" allows anyone to play the world as an MMORPG FOR REAL INTERNATIONAL DIPLOMACY in the big game when world leaders are FRIGHTENED of your PRESIDENT. However, I decided to TRUMP the PRESIDENCY from yet an even higher level so I contacted German Chancellor Angela Merkel, after Bush touched her on TV, to let her know I rose to TRUE PROPHET FOR JUDAISM because BUSH and KERRY, from 2000-year-old reconnaissance, are FALSE PROPHETS!

On this project, I GET ZERO CREDIT because a good man and papered elder of my mom's asked for a painful death 2000 years ago **so he could OUTRUN A PROBLEM** and send TOOLS so everyone can learn HOW TO SEE THROUGH TIME. The only chance for a second coming to two titles (namely Anointed One (which, in Greek, is "Jesus") and Messiah (which, in Greek, is "Christ")) 2000 years later was going to take a lot of work, but **it's all done.**

Obama is innocent. He never saw this attack by BUSH against his administration, but what happened to LINCOLN is that Buchanan spent every dollar to create a tsunami in anti-trust that rolled invisibly forward to COLLAPSE beneath the next administration. TWICE against innocent men from Illinois is NOT RANDOM, but these Yale PRICKS practice what worked LAST TIME, so when I found this same pattern coming from BUSH, I had to LEVEL the playing field for everyone so all knew what I know.

I am hoping that you will let me PUT THIS ROLE TO BED so I can go back to WORK knowing that the world is SAFE and I did my DUTY! A good marketer should see I bring something of value to the scene, but there's

one thing more you need to learn. Einstein's Special Theory turned up in literature.

THOSE ARE NOT MOVIES. Einstein's Special Theory of RELATIVITY is supported, for each author did not know he or she had these abilities, so an author paints an OPAQUE of one's imagination over an actual framework of actual history being attempted by those who BREACH THE BARRIER BETWEEN PURE FANTASY AND PURE REALITY, but laid across your path with the past to the LEFT and the future to the RIGHT so when you see anything in THREE STORIES that look like something headed at your life RIGHT NOW, figure who can PROTECT THE BARRIER between the fantasy of war and the reality of peace, I send all these tools, point to the ALWAYS FAITHFUL MARINES who have no idea, and thus reveal a double-cross, THE RUSSIANS have kindly backed down from WAR twice in the past six years, but now, I need to play this whole hand, all at once!

Please take an actual piece of paper (8.5"X 11") and lay it down in landscape format (11"X 8.5"), and then draw a line across the front edge closest to you, write to the left "3000 years ago" and to the right, write "The most immediate NOW," flip it over so that this new line is underneath the paper but furthest from you as you now draw a second line in the same location on your side so as to form parallel lines in front of you, left to right, but one BENEATH the other's plane. Then draw, with the ASSUMPTION OF THE EXISTENCE of the furthest line away from you, from both ends TO YOU here in the distance at this single point in space-time on the UPPER PLANE, so as to form a triangle. Where you are is always ONLY IN THE NOW in SIX DIMENSIONS.

Now, on the second line closest to you, draw a line from the left and right ends to ANY ONE POINT along the furthest line, and label, on your side of this long wall, EVERY INTELLECTUAL MIND FOR ALL TIME here in six dimensions, but all looking at only one point in space-time in three dimensions.

Using this TRIANGLE ON THE TABLE tool, from left to right in my mind, I lay out movies so that they lay parallel from start to the LEFT and end to the RIGHT, so here, in six dimensions, I can see the screenwriter's mind's eye here next to mine looking down on the flow of matter in creation in three dimensions, from the BIG BANG outwards and painting an opaque of his or her imagination over actual flows of logic in space-time from all people who are doing everything.

To use this, note a triangle from the mind's eye of the author here in SIX DIMENSIONS on the line closest to you on the page, to the span of time on the line away from you, that the story runs. If the story is FACT, use actual time-line length, but if FICTION, notice that the whole lane, for all 3000 years, is possible for the length of the fiction's painting of macro-scale chaos management.

For my analysis, I have been using all of these movies for data. You're simply looking at ONE SINGLE ELEMENT in each movie. All you need are THREE just to track ONE FLOW OF COMMON LOGIC IN SPACE-TIME.

For example:

In Avatar AND Spy Kids 3 AND Men In Black we find the big guy controlled by a smaller guy. This is a remote view of all of us. We are avatar.

In our realm, there are a bunch of villains right up into this past Bush/Cheney White House — a swarm in space-time — that are killing the imagination of this world and giving it fear and hatred in great form. You have seen them already as...

- With "Harry Potter," Voldemort and the Death Eaters.
- With "Wizard of Oz," The Wicked Witch of the West and The Flying Monkeys.

- With “The Matrix 3? Mr. Smith and the virus.
- With “Return of the Jedi,” the Emperor and the Empire
- With “The Three Musketeers, the Cardinal and his men.

You have seen the logical flows of Abraham, Elijah, and Mohammed as two nice guys and a ruffian as a composite set, soon to be joined by a wanabee (which is the character from which point I have been playing my moves so as to obtain the happy endings these stories derive).

- With “Harry Potter,” Dumbledore, McGonnigal, and Snape, followed by Harry Potter
- With “Wizard of Oz,” The Scarecrow, The Tin Woodsman, and Cowardly Lion, followed by Dorothy
- With “The Matrix 3? Trinity, The Oracle, and Morpheus, followed by Neo
- With “Return of the Jedi,” at the end, Yoda, Obiwan Kenobi, and Darth Vader, followed by Luke.
- With “The Three Musketeers, Aramis, Athos, Porthos (the Pirate), followed by D’artagnan

I am here with tools to support that there is a shared imagination, and each author was trying to make sense of things they couldn’t possibly because they did not realize they were looking at actual history. All these actors are playing President Obama as perceived by each of their respective writers. Please see what I see...

- Eddie Murphy (Trading Places, Beverly Hills Cop, 48 Hours)
- Will Smith (Men in Black, Wild Wild West, I, Robot, Independence Day)
- Morgan Freeman (Chain Reaction, Evan Almighty, The Dark Knight)
- Samuel L. Jackson (The Incredibles (Frozone), Pulp Fiction, Die Hard: With a Vengeance, Patriot Games)

...and once you realize how impossible this is, I hope you realize that there is a system that moves ideas through a flow of intelligent data packets called HUMANS through an inner net flow of logic through space time. I really have a proof of intelligent design here.

As you can see with your mind’s eye, the flying monkeys, the virus in the matrix, the Cardinal’s men, the Death Eaters, and Empire are a plane of ideas, but as they are of ideas that are detrimental to the survival of the system, this is an early warning system built into all of us. However, THE MARINES have no idea and cannot help to use them until someone sees what I see.

When ALL MARINES awaken and JUDGE WHERE THEY STAND, a virus that is moving in pure logic, not matter, will permanently be removed from the WORLD as such people, who choose to act like they are this virus, exude such wickedness, they cannot be of WE OF HUMANKIND for **we are only the GOOD!!!** Those who never told these tools are here will instantly be exposed for their wickedness.

I kept to the role for "Those who are exalted will be humbled and those who are humble will be exalted." Trust me, I’ve been very humble, but now, I need some firm to write themselves into the endgame **so I can put this role to bed and GET BACK TO WORK!**

With the research I’ve done with hypnosis, it looks like BORN AGAIN might be a REBOOT for the body. I can’t do all the research, but study all the weird things people have ACCIDENTALLY triggered with hypnosis and you’ll see patterns that are **consistent with technology[.]**

Did you know that **Orbs are intelligent?** I met one in 1992 and it keeps popping up in my life. This video, which I recorded last week, is exactly ten minutes long. It has the tools to teach how to dissect and assess space-time that I found in the Gospels, and the work I did up through 2008 when the TERROR METERS WENT RED and the RUSSIANS WERE SCREAMING BLOODY MURDER AT BUSH. In this video, my Orb arrived at 8:55 into the recording, in my car:

<https://TinyURL.com/TheReboot>

I really could use a composer or twelve. I have received a lot of interest from punk bands for these lyrics:

If you or anyone has PTSD, this script permanently fixes ALL EMOTIONAL PROBLEMS in ONE SESSION RUN ONE TIME. Print it out, read it through, find someone to orate it to you (this is the basic script I require for all first-time sessions as it sets all baseline processes for a universal programming platform):

http://groups.google.com/group/us.military/browse_thread/thread/92562a19772c6ac0/

Meyer Elkins, my Bar Mitzvah coach in Richland, Washington, when I was 13 in 1974, said, "If you ever have an encounter with a warm light and small voice, you're Prophet." **I had a close encounter with an ORB of the third kind in 1992 IN MY OFFICE** at 1515 Wright Avenue in Richland, Washington. There, in the darkness of my office with the lights off, I met a warm light and small voice that only said three words, "Eye can help," and the tools I bring deliver tools to teach how to use the Mind's Eye. With the advent of YouTube, I now get to show what these very creative and loving entities look like,

<http://www.youtube.com/watch?v=6M6vP8-SbU0>

and they have been very clear that **they are not involved in this nightmare.** They warned, as I show here at this cue within this YouTube video from a year after the return salvo to Carl Sagan's Arecibo message, **DECEPTION WITHIN OUR OWN SPECIES** and not an ET experience:

http://www.youtube.com/watch?feature=player_detailpage&v=2Q0NjXqAy8M#t=339s

You can see this ball of light being in the video "TinyURL.com/TheReboot", as it arrived about when I say that "Jesus and Christ are titles." This Orb entity comes and goes as it chooses. **I have no control over it.**

Within the Mark/Luke/John corridor as you follow along Matthew, you are seeking groups of THREE where there is a relationship of two set against one but in two different ways (Fishes AND Loaves AND Raising the dead) so that once you meet this set of FOUR and set of TWO, you then SQUEEZE all three concepts together in your mind to MAKE THEM ONE and this reveals data we never knew this remarkable book contained.

FISHES and LOAVES and RAISING THE DEAD

FISHES and LOAVES are FOOD.

FISHES and RAISED DEAD can be grown from a single CELL. A loaf of bread, in quantum mechanics, is a NIGHTMARE.

What would it take for one to be able to do all THREE?

TELEPORTER or MATTER REARRANGING TECHNOLOGY! You would need this to have HEAVEN!

They could not risk the GOOD STUFF to fall into the hands of WICKEDNESS, so a trap was set for the most wicked, and time passed. I need 144,000 computer geeks so we can REBOOT HEAVEN ON EARTH...something went wrong!

With this tool, I then applied it to study 9/11:

World Trade Center, architecturally designed by a formerly interred Japanese-American man.

Two buildings of one design, one of another.

Two hit by planes, one not.

ALL THREE FELL DOWN.

HOW IS THIS POSSIBLE???

Seismographs set to countdown timers set to explosives.

In the first bombing, the FBI was absolutely perplexed. The van used in the bombing was still intact. What the FBI never considered is that the van was a copy-cat car bomb because the people who built it were simply trying to SHAKE THE GROUND so that all their towers would fall from above, but they failed to do that, so none of the towers fell. Look who was President. The family had to wait until another member was in office.

Take four stop watches and watch 9/11. First plane hits, start TWO. Second plane hits, stop one to denote distance in space-time between first impact and second impact, but IMMEDIATELY start a third stopwatch. First building falls, stop one to denote distance in space-time between first impact and first building to fall but IMMEDIATELY start a fourth. Second building falls, stop the other two, one to denote distance in space-time between second impact and second falling, and the other to denote distance between first falling and second falling. What we find is an eerie parallelogram in space-time. This doesn't happen in nature, but does happen with SEISMOGRAPHS SET TO COUNTDOWN TIMERS SET TO EXPLOSIVES, and this then revealed an anomaly in space-time, for the IMPACT of the first plane set off the SEISMOGRAPH in the second tower, which is why it FELL FIRST! With the tools I bring, we can analyze space-time for each moment of NOW so as to define the barrier between fantasy and reality to expose those who BREACH IT!

I called the FBI Anti-Terrorism unit in NYC on 6/5/6, the day before the dreaded 6/6/6, I told them I had a question about the towers. I could hear this Agent's eyes rolling up into his head as he droned on and on about all the problems they'd already considered with the towers that had fallen. "No, no, no, no, no, no, no, I'm not asking about the towers that have fallen! Have you ever run bomb sniffing dogs through the REMAINING TOWERS at the World Trade Center?" The agent's reply was, "uh...UH...UH!!! GOODBYE!!!" AND HE SLAMMED DOWN THE PHONE. Having been a police cadet, I can tell you, that is what we call a GOOD TIP!!!

Call in all favors for all footage of George W. Bush 6/5/6, 6/6/6, 6/7/6, and watch TELLS that are absolutely contrary to a REAL US PRESIDENT who knows an attack is IMMINENT on his own nation. On the 5th, George as the smirk of the century. On the 6th, he's looking around, waiting for news that never comes. On the 7th, just as a press conference ends, he thinks he's off camera, and here, we see a grave intake of breath and a look of EXTREME HORROR. Remember this is the MOST PROTECTED US PRESIDENT OF ALL TIME,

and he's afraid??? **With the help of the FBI, WE gave Bush a SMIRKUMCISION!**

When brainstorming for Rodney Dangerfield, his wife, Joan, once wrote in 1996, "If Rodney ever gives me permission to hire a brilliant idea consultant for any reason, it would be you. You are the most creative person to pop up through about 100,000 emails these past two years." Rodney was clear that I only get ONE CHANCE to be new, so I saved it up.

I have been busy making inroads with history so that, when this task came to fruition, I had enough interesting data to feed the fire at least for about five years. I have a hard drive of ideas for new projects, but what follow are of other truths.

- * I developed and then [placed the world's first FCC compliant method to hypnosis into the international public domain](#) in 2003.

- * I gave the commercial rights to the Basic All In One reboot/rebirth sequence for humans, which fixes Post Traumatic Stress Disorder in two hours run one time ever, to the United Nations in 2004 ([and posted it in US.MILITARY to get it to the troops in 2005](#))

- * I broke the story about [Microsoft Anti-Trust behavior](#) about six months prior to the first legal case, in the Premiere Issue of Likewise Magazine (and I have a copy with me)

- * I was published for science fiction in the [Premiere Issue of Little Green Men](#) magazine.

- * I am a member of ASCAP because an LA rapper used eleven tracks of my work on his album [Ghetto Quality](#), though this performer is not professional, for my best track, a Rappers Waltz, was recorded over a 4/4 beat, thus exuding a painful aural experience.

- * I was a student member of the Dramatists Guild of America, due to [parodies](#) used by David Shepherd, and will be a pro member once my career starts.

- * My personal anecdote is the very last story in the first [Darwin Awards book, Evolution In Action](#), on page 308.

- * I won in Comedy Central's first Internet talent contest for family humor.

- * I've been published in print and on the Internet in thirty articles.

- * My web page "[Klinefelter's Syndrome & Me](#)" was the first web page on the topic, and stands to this day as still one of the more linked sites on the web and around the world.

- * My website was the first to support answering any hypnosis question. I now have an archive of questions between my website's FAQ and the Yahoo discussion group.

- * Dave's Coming Out Card has been one of the most reused tools on the web for coming out (though I'm MARRIED (approaching 27 years AND my wife, Jennifer, hocked her wedding ring to keep us afloat)) so I'll pry take hell for this (<http://pages.swcp.com/~dignity/dave.htm>) but as the argument against homosexuality is due to blind reliance on Torah, after this project, officially, nothing is written.

- * I am a member of the International Honour Society Golden Key.

- * I earned the CTM certification from Toastmasters International in four months.

- * I've won blue and other ribbons for poetry at county fairs.

- * I was on a nationally syndicated soap opera when I was 5, cast by Caro Jones (a relative of my dad's) just before she went into the casting field.

I am XXY and no one with this birth defect has ever been taken as being all that important because we were lower intellect. That's all about to change because the time has come for **humankind to meet its destiny** and not its oblivion.

To prove creative thought in public, this was my drivers license before my 2004 gastric bypass:

This is more of what I look like these days

<http://www.oocities.com/dibragerowtcom/dave.jpg>

If one is Jewish, like me, and you see something FRIGHTENING coming at your family, you ALWAYS have the option to rise to role play to shield the honor of a people if you have the CHUTZPAH to try. Our species is DYING because cannabis was made illegal by people infected by the LOGIC of some other species.

If you knew that eventually your species would be able to see from outer space, the best place to hide in plain sight is etched on the bottom of the ocean. This is the Hebrew SHIN, with a ratio of 4 to 1 on the left and 2 to 1 across the top. Northwest of this is a signature, first initial and last name.

These tools were supposed to have been delivered to Egypt over 3000 years ago. With the puzzle, you find two of one thing and one of another in two different ways. Hence, I decoded this dig spot at Giza. There are three pyramids, where two are different than one, in two different ways, but in STRAIGHT LINES. When I then used the remote views from Raiders of the Lost Ark, Stargate, and The Fifth Element, we find that "It's a Mad, Mad, Mad, Mad World" was also a remote view because "the Treasure is buried under the BIG W!" Is that a big enough W?

<https://www.flickr.com/photos/134842965@N05/19575795288/in/datetaken/>

I BRING IT ALL because the needs of the MANY outweigh the needs of the MONEY! As you will discover, money was a TRACE ELEMENT designed to CLOG AND CONGEST a civilization so as to expose, in the minds of all, the most wicked, who are so obsessed with MONEY and POWER, they have SLOWED THEIR INTELLECT TO THE SPEED OF MATTER while exposing their wickedness by making RULES NOW that attack the FUTURE while the perps are far afield and nowhere near the war they created by dis-harmonizing systems.

I want to travel the world, develop new media, and have fun working my ass off **while getting massively baked**. I am here to prove that, for all time, **the BLESSED HERB is CANNABIS**. I could never have done all this work without it, but many species on our planet are suffering because cannabis is illegal.

We used to feed cannabis to cattle. Such makes for happy cows, who eat more. This causes a rise of weight.

Now, cattlemen are FORCED to use ESTROGEN. Estrogen runs off into the water streams, causing a rise of breast cancer in men and boys who eat such meats. **A single push of a pencil** created a breach in the barrier between fantasy and reality.

As I've stated, I was born XXY with Klinefelter's Syndrome. **I have breasts due to the birth defect**. Now, because of this viral attack using pencil pushers who are making decisions to make people sick massively so they profit from all the suffering, these men and boys eating meat did not know they were attacked by people moving OPIUM so they will GROW BREASTS and thus suffer from breast cancer so that these people in opium are guaranteed to profit.

I must stop this nightmare. **Nostradamus warned of a rise of cannibals at the end of the age**. What these people are doing to cannibalize our own species is horrific, but we have the technology and now, we can track **the flow of defective communications in**, blood spilled on all sides, and sales of opium and oil rise outwards on ALL SIDES. This global DOUBLE-CROSS out of the USA must STOP.

I cannot get any help from Shalom United Church of Christ as the JUDAS in this story is the Pastor Stephen Eriksen. I took all these tools and discoveries to him and he had MY CHURCH COUNCIL SEND A LETTER TO MY JEWISH MOMMA, dishonoring my family name in this church, and bullying me into submission.

So, I did all this work so my MARINE CORPS will realize that had Pastor Steve done his DUTY, then the 03/11 Riflemen would have received these tools a long time before 03/11 and thus had gotten them working so that the GREATEST DAY IN USMC HISTORY would have been behind us, thus allowing Judgment Day to be the PENULTIMATE DAY in US MARINE CORPS HISTORY. It was missed because Steve made sure that HE GOT HIS PAYCHECK. As a GONZO JOURNALIST, I am writing about the abuses to a JEW who came looking for answers, FOUND THEM, and then did my DUTY to bring it to the CHURCH.

I HATE being poor, but MIRACLES MUST NEVER COME WITH PRICE TAGS! I had to prove that

absolutely every answer in the Torah was the WRONG answer in relation to the hand tool so I could decipher just how much work, with the internet in tow, that I could produce. This then allowed me to prove that the Torah SLOWED CIVILIZATION so much, that's not diabetes but UNSPENT FUEL.

Gary Gygax was so kind, from what became his deathbed, he read my manuscript and gave me a huge response, of which he then allowed me to append to the last line, of which is published with permission on the back cover artwork for my book, The Future's Toolkit (on how to PROGRAM and INTERFACE HUMANS at the NEURAL LEVEL using an FCC-compliant platform for hypnosis), when it gets published.

I would be more than happy to consider a multi-decade deal so I had a home base, but I need to do this ASAP. Now that the wars in the Middle East are growing, yet NO ONE KNOWS what I bring are in their own possession all this time, it's time they do.

Please help me put this to bed with tenacity, tact, and timing. I want the U.S.A. to be GREATEST because of the LOVE WE EARN FROM OUR PEERS, not from the fear we instill in everyone.

World peace is THREE DAYS AWAY From whenever this discovery is BLASTED TO THE WHOLE WORLD. When everyone knows what I know, the PROMISED LAND is WORLD PEACE, not Palestine.

Please send someone to my door. I need to deliver all this discovery so that Judaism completes our PRIME OBJECTIVE and thus reveal how to write a Torah and set a trap for the most wicked just before all hell breaks loose.

ALL of my student loans are in default, but no one saw this attack. I would wish to put out a TIPS jar when I do this delivery so that anyone who would like to throw money at me will find I have earned it. Paypal is set to handle such donations through email address dibrager@aim.com.

I really want to TEACH. I wrote this poem when the University of Washington stomped the sh!t out of my Washington State University Cougars:

Ode to a 51-3 WSU loss to UW...

A simple prayer for cloven claws
Once full of life, now dead by Dawgs
Betrayed by experience, defeated by time
Immortalized by this nasty rhyme
We pray for peace, alas to lie

With an Apple Cup to end in Tie
For, statewide, confess the fest
And leave the hatred to the rest.
For one whole year, shall both be great
No one to care which met it's fate.
So Cougar daughters and Husky sons
Will unite as being "Washingtons'."

Sincerely, I'm JUGGLING as FAST AS I CAN, but if we don't STOP THIS GAME AND EXPOSE ALL THESE TOOLS, **the war will breach the barrier** between fantasy and reality, and **once people start shooting, they stop listening** because they just can't hear. The time for PEACE is while there is still PEACE.

Please, I BEG YOU, **let this man on the cross get his freedom of speech**. He has earned it, and his FREEDOM unlocks Mohammed's work, who next picked up these tools to build what he did to protect the world from a virus moving in PURE LOGIC, not matter. From this, I picked these tools up from the DESIGN of ISLAM, and what I have built, you are carrying now. **The learning is OFF THE SCALE, and we need to learn it NOW!**

So, you can see, I truly kept to this role as "those who are exalted will be humbled and those who are humble will be exalted." I need some team to WRITE the denouement and let this role be gracefully put to bed with tenacity, tact, and timing.

It's time. It's time for PEACE. What more can I bring you than the RAPTURE, decoded and delivered now when this world NEEDS A MIRACLE???

Please, Ms. Lacey, help me so I can go back to COMEDY knowing that something NOT FUNNY stayed in fantasy and those who would invent ARMAGEDDON get removed from reality before all hell breaks loose. When people lie as a team, they track like a virus, and now, **they have no PLANET to call home!**

Most respectfully,
