Why do we think we will hear back from DOE by January 1?

I am fine with it. I believe Holly had a comment on the first one.

Are you all okay with us responding to the following questions in this way on background?

On Background:

-If DOE does pay the penalties, where would the money go? How much of that money would go to Aiken County and/or SRS?

According to the statute (50 USC 2566), all of the money shall be paid "to the State of South Carolina."

-Is there an anticipated time you expect to hear back from DOE?

Before January 1, 2016.
