Katherine, please see the below email that I received from one of my constituents that's requesting a meeting with the Governor. I realize that the Governor's schedule is extremely busy, and that she may not be able to honor such requests, but I need to know how you would like for me to respond.

Thanks,
Kenny

Hi Kenny,

Hope all is well! I am at the beach helping Brandon with the big launching of the school program we talked to you about a while back.

He has worked on this package and now has performed for 3 schools and has two more on the calendar. One is a return performance.

He is mailing out 200 promo cards in the very near future and has a goal to raise \$100,000.00 for SC schools! All of the responses thus far have all been positive.

We were wondering how we could possibly get Brandon and Hannah in to meet with Nikki Haley to present the program and have a photo made with you and Governor Haley....

Would you know the steps we would need to take to make this happen?

Would also love to forward you the postcard for mail outs so you can see the info.

Honestly, this is an awesome and easy program and fundraiser and makes for a great family night as well while raising funds for the schools!!

Thanks Kenny for your time.
