Celebrating National Developmental Disabilities Awareness Month

March is National Developmental Disabilities Awareness Month, an opportunity to celebrate the many contributions people with developmental disabilities make to our society.

The National Association of Councils on Developmental Disabilities (NACDD), Association of University Centers on Disabilities (AUCD), and National Disability Rights Network (NDRN) are partnering to launch the [Side-by-Side](#) DD Awareness Month social media campaign.

The campaign highlights the many ways in which people with and without developmental disabilities come together to form strong and diverse communities.

You can join the Side-by-Side campaign:

- Follow #SideBySideDD16 all month long on [Twitter](#) and [Facebook](#).
- Upload the [orange](#), [blue](#) or [black and white](#) Side-by-Side graphic as your Facebook cover image.
- Share stories from the social media calendar, available as a [PDF](#) or [Word](#) file.
- Use #SideBySideDD16 to share pictures, videos, and stories on social media that reflect people with and without developmental disabilities living, learning, and earning side-by-side in the community.
