Rule 43.

Suspending and Amending Rules

Any Rule of the Senate or severable portion of a rule of the Senate may be suspended by unanimous consent of the Senate. Without unanimous consent one day's previous notice shall be given of a motion to suspend any of the rules or severable portion thereof. A motion to suspend shall require a vote of two-thirds (2/3) of the membership of the Senate.

Any permanent amendment, rescission, or repeal of any of the Senate rules shall require a two-thirds (2/3) vote of the total membership of the Senate.

The Clerk of the Senate shall have these rules recorded in a permanent book which shall be kept at all times in the Senate Chamber. All permanent changes in the rules after they have been adopted shall be recorded in a Permanent Rule Book and certified by the Clerk of the Senate. These rules shall remain in full force and effect until the **conclusion of the terms for Senators** or until the Rules are amended, suspended, or repealed by a vote of two-thirds (2/3) of the membership of the Senate prior thereto.
