Thank you, it's just easier to work off a digital copy to make the changes we want to do.

Hey,

I know you had emailed me a copy of what was drafted by the Department of Administration for the statehouse grounds, I still have the hard copy but not the digital, something happened to it when they came in and changed my computer last week, I think I had it saved to my desktop only and it didn't convert over...can you resend that to me please? The hard copy has notes that both you and I took all over it, so I cant use that to scan in.

Thank you.
