Office of the Governor

Columbia, SC 29201**

**Dear Governor Haley,**

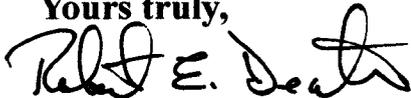

**My 7 year old great granddaughter Emilee is a student at a small elementary school in Gold Hill, Oregon. Her class is studying the states of our country and the state she was assigned to report on is your state, South Carolina.**

**I told her I would contact your office and was sure you would be able to send her a packet of information. She was very excited about that idea and would be tickled to receive an information packet about your state. It would certainly be helpful in making her oral report.**

**Her mailing address is:  
Emilee Puhl  
10431 Blackwell Road  
Central Point OR 97502**

**Thank you in advance for your help.**

**Yours truly,**
