Fresh Weddings and Events

Thinking back to this beautiful, crisp Fall day from last October, and it's making us excited for the cooler temperatures and early sunsets! Laura and Ben's picture perfect day was filled with crisp whites, soft pinks, and bright greens- proving that you don't have to have a dark and moody color scheme just because you're getting married in the Fall. Their classic and timeless design is one we will look back on for years to come!
