Jennifer Quick Howard I attend a lot of similar events - but I think you've got this one priced a bit high. It's almost equivalent to a weekend at the John C. Campbell folk art school - but it's Santee. I do really hope you are able to fill the class because it's a fun idea. If you don't fill it, you may want to try for 2 nights at \$250. (Three nights double occupancy is probably ok for a couple-but what couple can spend \$600 for a chocolate workshop. Three nights is too long to go with a friend.) Just some thoughts....

Jon Navion \$300 pp even with lodging that's very steep, I think you shot yourself in the foot with this one!

Andrea Weikal This would be so fun for my kids and I (we homeschool) - but we certainly can't afford it at that price 😞.
