The political question isn't really my space – I'll defer to you and Tony – but I can discuss grandfathering with whoever at 4PM, if you want. Thanks.

Ted, do you have 5 minutes to discuss the Governor's position with respect to the State remaining "grandfathered" under the current ACA healthcare statutes ?

Please review the attached info and call me this afternoon if possible as we have a call with the PEBA healthcare sub-committee tomorrow morning and I wanted to discuss the schedule. If there is no opportunity to get out of the grandfathered position because of the political issues, then we have nothing to discuss but how we might change the benefits of the current members without changing the category of the plan.

Thanks, Bill
