Subject: East Cooper Republican Women

Good afternoon,

My name is Hayden Grooms and I am the director of External Affairs for Lieutenant Governor Bryant. The information posted on the SCGOP website seems to be outdated, so I am contacting various Republican Party clubs and associations throughout the state to try and update this information. I hope to be able to propose a calendar to the Lt. Governor detailing some possible events that he could attend to discuss local issues with these local groups.

I am wondering who would be a good contact, if not you, to speak to in order to schedule these events and possible speaking engagements. Where the meeting is located? And lastly, what is an estimated average number of attendees so that, if need be, we can prepare the correct amount of literature?

Thank you for your help and your service to the Republican Party.

Sincerely,

Hayden Grooms
Director of External Affairs
Office of Lt. Governor
