Within this request, I am asking for the following documentation:

all materials on at least the final three applicants under consideration for a position, regardless of form, gathered by a public body during a search to fill an employment position

written employee evaluations;

official personnel notices that formally record the reasons for separation;

whether the employee was voluntarily or involuntarily released from service and the reason for the separation;
and

information about job performance.

If you have any questions regarding this request, I ask that you contact me @ 864-993-4123.

Thank you,
