Christian,

Here is the first of a few emails Ms. Torrey sent along to my wife Margaret today regarding the HHS per diem "negotiations" with CCH over the past year or so.

Thank you again and please let me know if you have any further questions or anything I can help with to move the discussions forward.

Chris

Margaret,

I am going to forward the emails I exchanged with Pete Liggett at DHHS for Chris' information and review. Personnel from DHHS have also visited with us twice and we have met with them at DHHS once. Mary Adams and Brenda Hyleman made the first visit to the campus. Our meeting at DHHS was with Mary Adams, Brenda Hyleman, Marion Burton, Pete Liggett, and a number of other people from the financial office, etc. I have attached a letter I sent to Marion Burton that I sent to Marion requesting a meeting which resulted in that one DHHS gathering.

Peggy,

Chris received a call from the Governor's Office this morning and has texted me with a few questions for you.

With whom did you speak at HHS, and dates, regarding the Medicaid rate for patients who would receive care at the Hearth? Chris is to respond with that information.

Chris was not in a position to contact you directly this morning but he may be able to join this "conversation" as the day progresses.

Margaret
