**scstateparks** Spring is here! 🌸 Get a jump start on planning a spring adventure to Charles Towne Landing State Historic Site. If you need some ideas on what to do when you're there, here are some tips: 1. 🚲: Rent a bicycle and explore the garden and nature trails. There are several miles of trails along the marsh or through the 80 acres of English park-style gardens. 2. 🚢: When the Adventure returns in mid-April, step aboard Charleston's only 17th century replica ship. 3. 🦌: Visit the Animal Forest that is home to indigenous South Carolina species like the bison, black bears, otters and more. 4. 📖: Visit the museum in the Visitors Center and then take a walk through the self-guided history trail. 📍: @scattered\_connections
