250 were ordered last year – I'll get the logo to them tomorrow and send you a proof ASAP for approval. We did not put the tagline on their last year.

Have a good night ☺

Katherine,

We are looking to get the logo cups ordered and you a proof here soon. A couple of questions

1. Do you want to use that same logo as last year but with the tree filled in?
2. Same quantity?

Need to get them ordered soon so they will be delivered in time!

Need anything else at the moment?

Thank You,
