

Dear Governor Haley,

My name is Miah Bennett.

I am in 3<sup>rd</sup> grade.

I live in Simpsonville, SC.

My class went to the State House on March 18<sup>th</sup>

2016 for our 3<sup>rd</sup> grade

field trip. Me and my

friend Brooklyn were

excited to meet you and

we waited 20 minutes

but a lady told us

you weren't coming out.

We still waited but

we had to use the

restroom and get on

the bus. Other students

got to meet you and

we were too late. We

we were both very sad.

me and Brooklyn really

want to meet you and

my mom said you were

really busy but I should

write a letter to see if

you have time. She said  
she would bring us back  
to Columbia just to  
meet you.

Sincerely,  
Mia'h Renne H
