Thank you Kelsey!

Connected with Jason Hurdich and he is excited to be a guest.
I told him he would receive an email from the Governor's office officially asking him to be a VIP guest.
He'd like it sent to: jasonhur01@gmail.com

We did not discuss whether he would interpret anything - lets discuss in morning.

Hi team! I sat down with our designer and she made all of the changes that we discussed on the phone today. I will have printed copies of this, and of the timed script for our internal meeting tomorrow morning. We will need to send all final edits to the text and formatting of the program to Mary after our meeting tomorrow so that she can send to the printer before noon.

See you all in the A.M.!
