Christian,

Julie Ducworth is working on #1 and suggested The Sustainability Institute as an option for #2 if they need a 501(c)(3)?

Two things in advance of my call with Bloomberg's environment guy:

1. Can someone provide a good list of the current members of the working group? Does Liberty Fellows

maintain that?

2. You noted that there were a couple candidates for an entity to administer the grant, if we can get it...can we talk about that today or tomorrow, since it's likely to come up on the call?

Thanks.
