Subject: RE: SCSA Annual Conference

Just an FYI. I have had discussions with Senator Alexander and Sheriff Crenshaw in Oconee. They are both interested in a possible Pilot Program. Over 20% of Oconee's population is Seniors. I would also like explore the possibility of adding additional training in this area to the Academy. I know that Rep Mike Pitts has discussed expanding the Academy to 15 weeks. I think we should include this training into that discussion. Jarod Bruder said he would help us with this. I would like to have an opportunity to share some ideas with the Lt. Governor if possible.

Let me know if I can help.

Hey everyone!

I spoke with Jarrod Bruder today and he has invited LG to come to the Sheriffs Association Conference in Myrtle Beach on July 11th and 12th. The agenda is attached. At this point I think we will attend the Seafood Social the night of the 11th, the Prayer Breakfast the morning of the 12th and then the Business meeting where he can address the association.

Two things about the business meeting:

1. The US Attorney for SC and Secret Service members will be there to address Scammers and their targeting of seniors. This is an area we can focus with the Office on Aging
2. This is where the LG will have the opportunity to essentially pitch the idea of round table or town hall discussion regarding issues law enforcement face with our senior population i.e. the idea of additional training across the board on handling situations involving seniors. Based on the reception of his pitch, we can then begin to plan the round table meetings.

Let me know if anyone has any thoughts or concerns. I will confirm with Jarrod tomorrow!

Thanks!
Tori Beth

Hey Tori Beth,

Thank you for reaching out today. I've attached our agenda for the 2017 Annual Conference. The Lieutenant Governor is more than welcome to attend any or all of the conference. As I said, the best time to address the Sheriffs in a single meeting will be on Wednesday, July 12, 2017 at our Business Meeting. If he'd like to address the Sheriffs at that point, I'll be happy to add him to the agenda.

Feel free to call me with any questions you may have.

Sincerely,
Jarrod
