Subject: eviCore healthcare expanding existing headquarters operations in the Lowcountry

- NEWS RELEASE -

For Immediate Release
November 1, 2016

eviCore healthcare expanding existing headquarters operations in the Lowcountry *Company investing \$1.6 million in Beaufort County operations*

COLUMBIA, S.C. - **eviCore healthcare**, an information technology healthcare company, is expanding its existing headquarters operations in Beaufort County. The expansion is projected to bring more than \$1.6 million in new capital investment and create 35 new jobs.

Established in 1992, eviCore offers diversified medical benefit management solutions aimed at reducing unnecessary procedures for patients while increasing the quality of care. Powered by specialized medical professional resources, evidence-based guidelines and advanced technologies, the company supports clients by ensuring the correct evidence-based care is delivered at the right time to the right patient.

Located at 400 Buckwalter Place Boulevard in Bluffton, S.C., eviCore is investing in its existing facility to meet increased customer demand and accommodate future growth. In addition to creating 35 new positions, this project will allow eviCore to improve its campus for its existing 400 employees. Hiring for the new positions is expected to begin in the fourth quarter of 2016, and those interested in joining the eviCore team should visit www.evicore.com.

The Coordinating Council for Economic Development has approved a \$300,000 Set Aside grant to Beaufort County to assist with the costs of real property improvements related to the project.

QUOTES

"eviCore is proud to be a part of the Lowcountry community, and we are excited about the continued growth at our Bluffton headquarters. We are fortunate to have the support of great partners at the State of South Carolina, Beaufort County and the Town of Bluffton. We look forward to many more successful years here." -eviCore Executive Vice President for Corporate Operations Elias Wahesh

"Each time a company doing business in South Carolina succeeds and is able to grow here, it's a win for the entire state. Today's announcement shows that Team South Carolina's approach to building a competitive business environment and a world-class workforce is working for our companies, and it shows eviCore's commitment to our state and our people."

" -Gov. Nikki Haley

"A terrific win for our Lowcountry community, today, we congratulate eviCore on their expansion in Beaufort County. This announcement proves that South Carolina is an ideal business destination for companies of all types." -Secretary of Commerce Bobby Hitt

"Beaufort County is proud of eviCore's decision to grow and expand in Bluffton, South Carolina. We're excited to congratulate eviCore on this expansion and look forward to watching this dynamic company continue to grow for many years to come." -Beaufort County Council Chairman Paul Sommerville

"The town of Bluffton is proud to have eviCore healthcare as part of our community. We continue to strengthen our already-established partnership with them, and we're excited that they continue to commit to bringing high-paying jobs to our region, and especially the town of Bluffton. The \$1.6 million investment and the 35 new jobs that will be created add to the strength of our town as a regional hub for companies like this." -Mayor of Bluffton Lisa Sulka

About S.C. Department of Commerce

As South Carolina's leading economic development agency, the Department of Commerce works to recruit new businesses and help existing business grow. Commerce has recruited world-class companies to South Carolina such as BMW, Boeing, Continental, Giti Tire, LPL Financial Holdings, Mercedes-Benz Vans, Toray and Volvo Cars and also supports startups, small and existing business, innovation and rural development initiatives. Commerce partners with the [S.C. Technical College System](#) via [readySC](#) to support workforce training and recruiting, and with the [S.C. Department of Employment and Workforce](#), which provides worker training and employment opportunities within the state. In three of the last five years, IBM-Plant Location International reports ranked South Carolina first in the nation for attracting jobs through foreign investment, per capita. The state won the Gold Shovel Award and the Project of Year Award from Area Development magazine in 2012, 2014 and 2015. For more information, visit www.SCcommerce.com.
